# Student Travel Code of Conduct

The following policy applies to all persons traveling to meetings, conferences, retreats, athletic events, humanitarian or community service missions, or other travel activities (referred to herein as “trips”) using Florida Atlantic University funds or as a member of an FAU recognized student organization. This policy applies whether this travel is within the counties served by FAU or to an external destination. Individuals not signing this policy will not be approved for travel.

The Division of Student Affairs stresses the importance of individual and student organization responsibility pertaining to the use of alcohol/drugs. Neither alcoholic beverages nor non-prescription drugs may be transported or consumed during trips. The use of alcohol/drugs during trips will not be tolerated.

In addition, the sponsoring student organization and individuals will be held responsible for their actions during their travels. Abuse of alcohol/drugs or other irresponsible behavior can adversely affect the status of the organization and student status for future travel plans when these lapses in judgment are foreseeable and preventable by the officers and others attending the event. The Division of Student Affairs expects such situations to be reported to the student organization advisor and Dean of Students Office immediately.

I understand that when I travel using Florida Atlantic University funds or as a member of an FAU recognized student organization, I may be spending student or university funds entrusted to the Division of Student Affairs, Student Government, and student organizations. I accept the responsibility to be a good steward of those funds. I also understand that I will be viewed as a representative of Florida Atlantic University, and that my behavior will reflect upon the entire University. I accept the responsibility of being a positive representative of the University.

## **In light of these responsibilities, I agree to abide by the following policies:**

- I will be familiar with and obey any and all of the rules established for the trip, including the FAU Student Code of Conduct (Regulations 4.007), as well as all professional and behavioral standards of my college or academic program. I will obey all applicable laws, including those that relate to alcohol consumption and illegal drug use and drug-related activities, as further described in Regulation 4.007.
- I will attend all scheduled meetings, conference sessions, and activities related to the travel. I understand that failure to participate in the trip due to last minute cancellations may result in me having to repay all travel expenditures (if any) made by Florida Atlantic University on my behalf.
- I will not consume alcoholic beverages unless I am 21 years of age or older. I will not abuse alcoholic beverages, regardless of my age, and I will not use illicit drugs. I will not consume alcoholic beverages, regardless of my age, if such use is banned by my advisor or organizational leadership.
- I will operate motorized vehicles legally and responsibly. I will drive within the posted speed limits, wear a seat belt and require passengers to do the same in accordance with the laws of the state in which I am traveling. I will not operate a vehicle if I have consumed any alcohol and will not allow alcohol, illicit drugs or weapons in the vehicle. I will operate only motorized vehicles for which I have a current, unrestricted license and will only use vehicles that are properly licensed and with current motor vehicle inspections. I will provide a copy of their license and automobile insurance prior to departure.
- I will not spend money or make monetary commitments on behalf of the organization or the University without following proper procedures.
- I will not provide transportation to persons not approved for travel.
- I will dress appropriately for the setting. I will interact professionally and responsibly with other participants at the event.

**I also understand that it is the responsibility of everyone traveling to uphold these policies. If I violate them, the advisor and/or the most senior member of the organization present may take steps to protect the reputation of the University and mitigate its liability.**

## **Those steps may include:**

- Requiring that I return to campus prior to the end of the trip at my own expense;
- Banning me from further participation in the trip; and
- Referring me to the Office of Associate Vice President and Dean of Students.

**If I am referred to the Office of Dean of Students, I understand that I may be subject to student code of conduct actions and sanctions for breach of professional or behavioral standards of my college or academic program, including but not limited to:**

- Requiring that I repay travel expenditures (if any) made by FAU prior to travel, including but not limited to, the cost of travel (airline tickets and/or share of vehicle rental/fuel; prepaid accommodation expenses, conference fees, etc.);
- Banning me from recovering out of pocket expenses related to the travel; and
- Disciplining me upon return to campus, which may include but is not limited to:
- Banning me from future FAU-funded travel;
- Removing me from the student organization and/or leadership in the organization; and
- Adverse action by my college or academic program.

**Emergencies:** In case of a personal emergency I will contact a professional staff immediately. Any additional travel expense done without the prior approval of professional staff will be my responsibility. If I must alter my travel plans due to emergency, I agree to be responsible for all associated costs incurred.

I have also informed the staff of any medical conditions (including but not limited to pregnancy, heart conditions, back conditions, diabetes, allergies, asthma, epilepsy, recent or reoccurring injuries or surgeries) and any other factors which might interfere with my ability to safely participate, or that might aid medical responders in the event I am injured. I understand and agree that if I am allowed to participate after disclosing such conditions or factors, that I assume the risk of same and am not relying on anyone at FAU to handle or manage such conditions or factors in the event a situation should arise. I further agree to comply with all applicable laws and ordinances, as well as with all FAU regulations, rules, policies and procedures during the Trip, including without limitation any travel to, from or during the Trip. I understand that my behavior and conduct must remain consistent with the University Student Travel Code of Conduct and all professional and behavioral standards of my college or academic program. I understand that any violations of the University Student Travel Code of Conduct or of any professional or behavioral standards of my college or academic program in any way relating to the Trip may subject me to disciplinary action by FAU, including but not limited to, loss of privileges and/or dismissal from my college or academic program or the University.
