

FLORIDA ATLANTIC UNIVERSITY 2008-2009 TRANSFER STUDENT MANUAL
CHRISTINE E. LYNN COLLEGE OF NURSING

PROGRAM OF STUDY AT UNIVERSITY

The Accelerated Second Degree track accepts students who already hold a bachelor's degree in another field. The following is a list of transferable prerequisite courses. All courses must be advisor evaluated & approved.

Anatomy and Physiology 1/2 with Labs	8
Microbiology with Lab	4
Chemistry with Lab	4
Nutrition	3
College Algebra or equivalent	3
Statistics	3
Introduction to Sociology	3
Introduction to Psychology	3
Human Growth and Development	4

Additionally, any prerequisite course requires a minimum grade of "C." However, the program has a requirement of a minimum 3.0 GPA, which translates to a "B" average.

APPLYING TO THE COLLEGE OF NURSING

The Bachelor of Science in Nursing is a Limited Access Program. Acceptance into the program is not guaranteed.

NOVEMBER 30, 2008

Students must be admitted to FAU (must list Nursing as the major and May as the start date) and submit a College of Nursing Undergraduate Application.

DECEMBER 31, 2008

Students must have completed the HESI Entrance Exam with a minimum score of 80% in each category.

MAY 1, 2009

Students must have fulfilled all requirements, including the 35 prerequisite credits.

STUDENTS MUST ALSO...

Submit evidence of current health insurance.

Complete required health forms and immunizations.

Assume responsibility for transportation to and from all off-campus clinical experience courses.

Meet all health requirements necessary for practicing in specific clinical agencies.

Provide evidence of BLS certification for Health Care Providers through the American Heart Association; it must be valid for the entire academic year, resubmitted annually.

Possess basic computer knowledge such as e-mail, word processing, the Internet.

Purchase basic tools and equipment for nursing practice experiences as well as preparatory learning materials for NCLEX in certain courses.

Submit to a background check.
