Being a Student Organization

What is a Registered Student Organization (RSO) at Florida Atlantic University?

A Registered Student Organization (RSO) is defined as a group of ten or more currently enrolled Florida Atlantic University (FAU) students who unite to promote a common interest and who are officially recognized by Student Activities and Involvement. Student organizations are an essential part of the FAU community and an integral part of the total academic program. The presence of a diverse group of organizations is in the best interest of the University and its students. Registered Student Organizations foster valuable experiences for students that lead to significant learning and development and create a sense of belonging. Registered Student Organizations provide valuable services to the University community by promoting leadership development, community spirit, activism, community service, and social and cultural interaction. FAU recognizes the vital contributions that student organizations make to the quality of life on campus.

Registered Student Organizations may include other members of the University community as associate members including FAU faculty, staff, or alumni. These associate members shall not be given the rights and privileges of active FAU students including, but not limited to, voting rights, use of facilities or equipment, and/or benefits from student-funded resources. Only currently enrolled students can vote on organizational matters.

According to the Office of Student Conduct, the term “student” refers to any person taking courses at FAU on any of its campuses or sites. Persons who withdraw after allegedly violating the Student Code of Conduct, are not officially enrolled for a particular term but who have a continuing relationship or enrollment with FAU, or have been notified of their acceptance for admission are considered “students.” The term “student” will also refer to student organizations and persons living in University housing, although not enrolled at FAU.

When a student registers as a member in a Registered Student Organization, the organization roster is public record.

Authority for Recognition

The Florida Administrative Code states, “the Vice President for Student Affairs or designee” will be responsible for the annual recognition process of student organizations at FAU. The Vice President for Student Affairs has designated Student Activities and Involvement to oversee this process for the University. All new student organizations are approved by the Director of Student Activities and Involvement (as designee for the Vice President for Student Affairs).

Types of Student Organizations

The Council of Student Organizations Student Activities and Involvement oversees all Registered Student Organizations. RSOs are funded through A & S fees allocated through the Council of Student Organizations (COSO), a program of Student Government. COSO is broken down into five different councils. Every Registered Student Organization is placed into a council that best fits their purpose. The five councils and their descriptions are as follows:

Academic Council: The Academic Council consists of student organizations that have a purpose related to support an academic discipline or pursue academic achievement. Some examples are the Society of Automotive Engineers, American Marketing Association, Philosophy Club, and Pre-Law Society.

Multicultural/Spiritual Council: The Multicultural/Spiritual Council consists of organizations that strive to expand students' knowledge of the different cultures represented in the FAU community and abroad. All organizations affiliated with religion or faiths are included in this Council.

Fraternity & Sorority Council: The Fraternity & Sorority Council is comprised of the fraternities and sororities within the four Greek councils at Florida Atlantic University. These four councils are the National Pan-Hellenic Council, the InterFraternity Council, the College Panhellenic Association and the Multicultural Greek Council.

For a Title IX exempt social Greek-letter fraternity or sorority (as defined under the provisions of Section 1681 of the U.S. Education Act of 1972) to be recognized as a student organization at Florida Atlantic University, it must first be granted membership in its University-recognized Greek council. Once membership is confirmed with the National Pan-Hellenic Council, the InterFraternity Council, the College Panhellenic Association, or the Multicultural Greek Council, recognition materials will be processed by Fraternity & Sorority Life. For requirements related to membership in one of the aforementioned councils, visit the Fraternity & Sorority Life website at www.fau.edu/fandslife

Sports Club Council (SCC): This Council represents all of student organizations that are athletic/sports related. Special facilities or space should be required for their activities. Their mission should be competitive in nature and they should have the potential to join a National body/organization. Admission into the Sports Club Council is applied for after the organization has existed for a year. Some examples of clubs within the SCC are Men's Rugby Club, and Women's Lacrosse Club.

Sport or recreation-based student organizations that desire to be a part of the Sport Club Council within the Department of Campus Recreation, must apply for admission after one year of existence. Once the Sport Club Council confirms membership, the RSO shall be classified as a Sport Club by Student Activities and Involvement and shall be subject to the administrative and financial requirements of the Sport Club Council.

Special Interest Council: The Special Interest Council is made up of organizations that serve to enhance student life through the co-curricular involvement of special interests & hobbies. Because of this, the Special Interest Council hosts some of the most diverse clubs/organizations; some examples include: Resident Student Association, Student Alumni Association, and Owls Supporting Diversity Club.

In addition to the above Councils, a sixth council, **Graduate and Professional Student Organizations (GPSO)**, exists under the Graduate and Professional Student Association (GPSA), located in Student Union room 234. The GPSA allocates and manages funding for GPSO events and activities. Additionally, the GPSA provides GPSOs academic support resources, social programming, professional development, conference travel, and networking opportunities. For more information on the GPSA, email gpsa@fau.edu.

Registered Student Organization Logo Policy

Updated March 7, 2018

Logo Usage: RSOs are allowed two options for logos:

1. Use the standard logo available to FAU RSOs. This logo may not be altered and must appear as shown below or as shown in the Student Organization Style Guide. You can request the title of your student organization be added to this logo by emailing involvement@fau.edu. Requests will be sent by Student Activities and Involvement once a month, on the first business day of every month. The typical amount of time for logo creation is two to three weeks.

2. Create your own RSO logo that does not infringe upon existing FAU trademarks, such as the name of the University or its logos, institutional marks or spirit marks. Florida Atlantic University has registered or otherwise protected the names, logos, symbols, indicia, insignia, trade names, service marks and trademarks (collectively “Trademarks”) of the University and its related programs and entities. The letters or words “FAU,” “Florida Atlantic University,” “Florida Atlantic,” FAU Owls, Florida Atlantic University Owls or Florida Atlantic Owls may not be included in the logo. The RSO logo must include the statement “A Registered Student Organization at FAU®”. Please note that the Registered Trademark designation is included after the word FAU. All logos must be approved by Student Activities and Involvement and should be emailed to involvement@fau.edu. The typical amount of time needed for approving logos is between two and three weeks.

Other Cases for Logo Usage:

Organizations with national affiliation, such as Dance Marathon and Habitat for Humanity, may use the nationally recognized and trademarked logo with FAU mentioned, as long as it is sent to involvement@fau.edu for approval prior to any use.

Sport Clubs: Sport Clubs that are advised by the Department of Campus Recreation and recognized by the Sports Club Council may use the FAU spirit marks on uniforms and related gear when participating in league competition and must include an identifying statement adjacent such as Club Hockey, Rugby Club, etc. See the process below for ordering promotional items.

FAU Logo Use by Registered Student Organizations

FAU Logo Use: Registered student organizations may use FAU spirit marks and academic marks as approved by the [Institution Art Sheet](#) in their promotional items with proper approvals, as outlined below, but may not include any FAU marks in their individual organization logo creation as specified in 2 above.

Publications: Student Activities and Involvement must approve all publications (brochures, posters, etc.) that bear the FAU name or trademark prior to printing. Email involvement@fau.edu with your publication to request this approval.

Promotional Items: All promotional items (t-shirts, mugs, pens, etc.) ordered by an RSO must be ordered through an approved “Licensee,” regardless of the source of funding. Visit this link for an up to date list of vendors: [FAU Licensee List](#). When you are using a “Licensee,” they will contact FAU directly to get approval.

Print, Radio, Television and Web Advertising: The Office of University Communications is responsible for reviewing and approving all advertising mediums for use of a trademark in print, radio, television and web advertising and will consult with Office of Marketing & Trademark Licensing, prior to public release. The Office of University Communications can also assist with media buying and marketing plans for large events/programs. Please email involvement@fau.edu or a staff member in the Student Activities and Involvement office on your campus for assistance.

- ii. When an extension of hours is granted, the time designated is the time at which all individuals attending the event are out of the facility and the Student Union will be closed and locked. Therefore, events must terminate thirty (30) minutes before closing so that all persons will be out of the building at the designated closing time.
- iii. Any costs incurred as a result of the extended hours, such as a building manager, security, custodial overtime, etc., will be the responsibility of the sponsoring group.
- iv. The Student Union has the right to limit events requesting extended hours to specific rooms within the facility.

Events with Critical Risk Factors

Campus police officers are required for all RSO events held on campus that are considered to present a greater risk to the campus community. Police Staffing Requirements

Final determination of police staffing will be the responsibility of the FAU Police Chief, and/or his/her designee. The police detail supervisor attending the event will determine location and assignments of security and police officers prior to the start of the event.

The number of police officers and other security personnel is determined by the capacity of the room where the event takes place and the length of the event. Officers will be assigned for a minimum four (4) hours shift. The length of time in which the officers will be assigned to the event is the length of the event, plus 30 minutes before and 30 minutes after the event (i.e. one additional hour over the length of the event). The rate for FAU organizations is \$35/hour and for

external groups is \$50/hour. The number of officers assigned to an event will be determined by the maximum capacity of the room. However, the number of officers may be adjusted based on the specific expectations for the event.

All safety and security matters observed at the event will be referred immediately to FAU Police Officers on site, and will be handled in an expeditious manner.

Deliveries

If you plan to have University Departments deliver items prior to your event (i.e. trees from the Grounds Department, additional tables from Building Services, etc.), please coordinate these deliveries with the EPO. The room you have reserved may be in use prior to your event, and it may be necessary to schedule these deliveries for a particular day and time.

Alcohol

If you plan to have alcoholic beverages at any event, the University requires that an Alcohol Program Registration Form be approved by the Vice President of Student Affairs and the Director of the Student Union twenty-one (21) business days prior to your event.

Any student organization/club intending to serve alcoholic beverages at any event must first demonstrate that its officers, event volunteers and approved university advisors have attended or will attend a workshop on the University's alcohol policy sponsored by Student Activities and Involvement.

All alcoholic beverages must be purchased and served through Chartwells Inc., who is licensed by the Florida Liquor Control Board to provide and serve alcohol in the facility.

All events must adhere to the University policies established in the FAU Alcohol Policy found at <http://www.fau.edu/policies/files/1.2%20Alcoholic%20Beverages.pdf>.

Individuals or groups in violation of this policy will be subject to loss of privileges and to disciplinary action in accordance with University rules provided in the Florida Administrative Code which are stated in the Student Handbook. In addition, all events serving food in the breezeway must register with EH&S.
 - For information on the Food Safety Program including approved vendors and applications, go to: <http://www.fau.edu/facilities/ehs/safety/Food-Safety-Program.php>.
7. Removal of Food - Due to health regulations and liability, any food not consumed during the event may not be removed from the serving location and remains the property of the University Dining Service.
8. Clean Up - The Catering Department will provide a courtesy clean up service provided the event is between 7:00 a.m. and 5:00 p.m. Monday - Friday. Functions must consist of

40 people or more. For events less than 40 people, late night, or scheduled weekend events a 15% fee will be attached to the catering invoice. Clean up of No Frills Student Catering is the responsibility of the sponsor. There will be a clean-up charge of \$15.00 per hour if it is determined additional cleaning is necessary.

9. Linen Service - Linen and table skirts are provided at an extra charge for all service tables and for all dining tables. However, if there is a request for linen on non-food service tables (such as registration tables or head tables) where food will not be served, there will be an additional charge of \$15.00 for linen and \$15.00 for skirting per table. Cloth napkins are \$.50 per person. Specific colors are available at an additional cost. Please allow seven (7) days notice. Head tables or specific table sizes should be specified for the linen order.

You may request a food waiver for an event. This information can be found at the Business Services office in the Student Union, room 204.

Environmental Health and Safety

All FAU events on all campuses that involve food must comply with the Florida Administrative Code (FAC) 64E-11 on Food Hygiene and other pertinent regulations. These regulations were designed to prescribe practices and procedures to prevent foodborne illness. All clubs, groups, departments, students, etc. hosting special events where food is served to the FAU or public (where public is defined as anyone who is not a member of the club, group, or department, etc.) must complete the FAU Temporary Food Service Event Permit Application, which can be found at: <http://wise.fau.edu/facilities/ehs/safety/Food-Safety-Program.php>. The food safety training can be found at <http://wise.fau.edu/divdept/envhs/Foodsafety/>.

For more information, please visit <http://www.fau.edu/facilities/ehs/safety/Food-Safety-Program.php>

Alcoholic Beverages Policy

The Alcoholic Beverages on Campus Policy is applicable to all members of the university community, including all students, faculty, staff and all visitors, contractors and guests to the university or any of its campuses, facilities or events. All student organizations must get approval from the Senior Vice President for Student Affairs to have alcohol at an event on campus. To read the full policy, please visit

Movie/Copyrighted Material Policy

What is Film and Video Piracy?

Film and video piracy is the public performance of an unauthorized exhibition of pre-recorded videocassettes and DVD's.

What are "Public Performances"?

Suppose you invite a few personal friends over for dinner and a movie. You purchase or rent a copy of a movie from a local video store and view the film at your home that night. Have you violated the copyright law? Probably not. But suppose you took the same video or DVD and showed it at a club, bar, or any other public event that you happen to manage. In this case, you have infringed the copyright. Simply put, videocassettes or DVDs obtained through a video store are not licenses for exhibition, Home video means just that: viewing of a movie at home by family or a close circle of friends.

What the Law Says

The Federal Copyright Act (Title 17 of the United States Code) governs how copyrighted materials, such as movies, may be used. Neither the rental nor the purchase of a videocassette carries with it the right to show the tape outside the home. Taverns, restaurants, private clubs, prisons, lodges, factories, summer camps, public libraries, day-care facilities, parks and recreation departments, churches, and non-classroom used at schools (anything besides what is on the syllabus) and universities are all examples of situations where a public performance license must be obtained. This legal requirement applies regardless of whether an admission fee is charged, whether the institution or organization is commercial or non-profit, or whether a federal or state agency is involved.

Penalties for Copyright Infringement

"Willful" infringement for commercial or financial gain is a federal crime punishable as a misdemeanor, carrying a maximum sentence of up to one year in jail and/or a \$100,000 fine. Even inadvertent infringers are subject to substantial civil damages, ranging from \$500 to \$20,000 for illegal showing.

How to Obtain a Public Performance License

Obtaining a public performance license is relatively easy and usually requires no more than a phone call. Fees are determined by such factors as the number of times a particular movie is going to be shown, how large the audience will be and so forth. While fees vary, they are generally inexpensive for smaller performances. Most licensing fees are based on a particular performance or set of performances for specified films. Major firms that handle these licenses include:

Swank Motion Pictures, Inc. – 1-800-876-5577

Criterion Pictures USA, Inc. – (CPUSA) 1-800-890-9494 ext. 224

Some filmmakers and production companies will allow student organizations to show documentaries for free. You still need proof that you have the rights to show the film, so be sure to ask the filmmakers or production company for official notice of rights to public performance.

Copyright infringers are prosecuted. The MPAA and its member companies are dedicated to stopping film and video piracy in all its forms, including unauthorized public performances. The motion picture companies will go to court to ensure their copyrights are not violated. Lawsuits, for example, have been filed against cruise ships and bus companies for unauthorized on-board exhibitions. If you are uncertain about your responsibilities under the copyright law, contact the MPAA, firms that handle public performance licenses, or the studios directly. **Avoid the possibility of punitive action!**

Date/Service Auctions Guidelines

The Division of Student Affairs aspires to ignite purpose and passion in our students to become socially responsible and globally engaged leaders. We will challenge ourselves and our students, to accept and act upon our responsibility, to be role models who learn and act to create meaningful and impactful change at FAU and beyond. Its mission is that we create diverse, challenging and transformative environments through our innovative and effective programs, services, and outcomes-based approach to student learning and development. We equip students with necessary tools to achieve academic, personal, and career success. In reflecting on the mission and vision the division strongly encourages student organizations to explore other avenues for fundraising. The division does not endorse date and service auctions, however, for student groups, clubs and organizations choosing to host or participate in these activities, the following guidelines have been developed.

Racial Awareness

Date/Service auctions have historical reminiscences of slave auctions. Slave auctions are realistic events in this country's history. While this may not be the intent of date auctions today, they present human beings as property to be purchased. Regardless of the form of payment for a person's service, an auction (often involving a bidding process) may devalue the person being auctioned. On a campus where inclusiveness is at the very fabric of our community, any activity promoting the purchase of a human being for services to another fail to promote a diverse, open, inclusive and accepting environment.

Gender Awareness

Furthering the mission of inclusiveness, respecting the right of others is valued in our community. One of the underlying issues that often exist in date auctions is the idea of entitlement. Date/acquaintance rape, sexual assault, sexual misconduct or any other inappropriate acts may result from this assumption from all genders. Purchasing a person's services may promote "entitlement" in the person bidding. Date/Service auctions can create disharmony within a community by reinforcing gender stereotypes.

Personal Safety

Date/Service auctions involve a person spending time with another person. Often the participants are not familiar with the others involved. This has the potential of resulting in hidden attractions or desires that may be inappropriate or pose harm. While this may be an extreme case scenario, the possibilities are real. Student organizations must consider such possibilities as well as potential liability implications when preparing to host a date/service auction.

Alternative Activities

Date/service auctions are often used as fundraising activities that support charitable organizations. The division of Student Affairs recognizes these efforts as positive intentions that engage students in civic responsibility. However, student organizations are encouraged to choose among the many other creative and imaginative fundraising activities and programs that promote an inclusive and safe environment. These include book fairs, silent auctions (donated items), car wash, requesting donations, ad sales for program or ad booklets, or ticket sales for an event, etc.

Given the information shared above, the following guidelines have been established:

In preparation for hosting a date auction (i.e. exchanging services for money), you must complete the following steps in chronological order to have your event approved:

- Read the section of the Student Organization Manual related to hosting a date/service auction.
- Schedule a meeting with the Director of Student Activities and Involvement or designee to discuss the details of the event, including but not limited to the rationale and details for the event. Additionally, the student organization advisor must be present during the entire activity. Complete the online event registration process through OwlCentral. The date/service auction is not approved until you receive an official email indicating Event Approval from the Student Union.

participant(s) must sign the “Date/Service Auction Participation Agreement”. All participants, including the people being bidden upon and the people bidding must sign their respective agreement. These forms should be submitted to Student Activities and Involvement. The agreement forms are located in Owl Central.

Failure to follow policies and/or procedures can result in the loss of privileges and benefits of being a registered student organization and/or disciplinary actions including referral to the Associate Vice President and Dean of Students Office.

In order to participate in a Date/Service Auction as an auctionee or bidder, the participant must be a currently enrolled FAU Student.

Commercial Solicitation

Objective:

To specify the methods and responsibilities for commercial solicitation at Florida Atlantic University.

Overview:

All soliciting done of the University premises must be approved by the Director or Assistant Director of Business Services, except certain approved activities sponsored by student organizations or university departments which are subject to the approval of Student Activities and Involvement.

1. Commercial solicitation as used herein is the offering of goods and services for sale either by advertising or direct sale that result in financial gain to the salesperson, individual(s), or organization(s).
2. Activities referred to in this section are permitted only in the area of the Student Union, Traditions Plaza, and along the Breezeway on the Boca Raton campus. Any requests for exceptions to these locations should be submitted to Student Activities and Involvement for university organizations and to the Office of Business Services for non-university entities.

A. UNIVERSITY SOLICITOR'S PERMIT

1. All solicitors must have a University Solicitor's Permit, except students representing student organizations.
2. All applicants for a permit must have in their possession verifiable personal and company or organization identification for all persons who will be engaged in the requested activity.
3. The University Solicitor's Permit will contain the following information:
 - a. Name of the company or organization.
 - b. Names of individuals representing the company or organization on campus.
 - c. Type of nature of approved Business.
 - d. Location where permit is valid.
 - e. Dates of issue and expiration of University Solicitor's Permit.
4. Copies of the University's Solicitor's Permit are to be given to the individual responsible for the activity, who will ensure that each person engaged in soliciting has a copy. The original permit will be kept on file in the Business Services Office.

B. OBTAINING PERMITS

Permits are to be obtained from the Director or Assistant Director of Business Services at least seven (7) business days prior to the scheduling of the event. The issuance of permits will be governed by the benefits to be gained by the University community. Copies of the permits are to be carried by each individual whose names appear on the permit and are engaged in the activity and will be presented to any University official upon request. Any issued permit is subject to cancellation at any time it is deemed in the best interest of the University. In the event a permit is canceled, all copies of the permit are to be

surrendered to the Director of Business Services and soliciting by permit holders will cease.

C. STUDENT ORGANIZATIONS

In recognition of the rights and freedom of student organizations at Florida Atlantic University, approved student groups are permitted to solicit for support or sell and distribute items as a project of that organization within the following limits and guidelines:

1. No item is sold or advertised that is offered for sale in, or that is in competition with, any University agency such as the Bookstore, Food Services, Office Services, or retail stores located on Florida Atlantic University campuses, without a University Permit granted by the Director of Business Services.
2. Sponsoring and participating organizations must register the activity and arrange for space with Student Activities and Involvement.
3. Sponsoring and participating organizations must comply with any Student Activities and Involvement policies or Student Government Statutes affecting fundraising projects.
4. Officers of any student organization sponsoring or participating in solicitations either on or off campus will assume full responsibility for adherence by participating students to all laws and regulations governing such activities.

D. VENDORS AND NON UNIVERSITY ENTITIES

Vendors other than recognized on campus vendors may request space on campus. Ten tables have been allocated daily, with the exception of recognized campus holidays and closures, along the Breezeway on the Boca Raton campus for vendors and non-university entities. Requests are to be made through Business Services for space and all requests should have a Commercial Solicitation Permit Application attached. The designated spaces are on a first come, first serve basis. Requests will be reviewed and approved based on meeting all other guidelines set forth in this policy. Proof of insurance must accompany the request as well.

E. ITEMS FOR SALE

The University will not allow the selling of any items, including but not limited to guns and knives, which will pose a threat to the individual who made the purchase or to their surrounding environment. In the event this occurs, the solicitor will be asked to cease selling the particular item and if the vendor does not abide by the request, they will have to vacate the premises.

F. ADVERTISING MATERIALS

The posting or distribution of advertising materials will be limited to the permanent official bulletin boards of the University and according to policies set forth by Student Activities and Involvement.

G. DOOR-TO-DOOR SOLICITATIONS

Under no circumstances will door-to-door solicitation be allowed in any university facility.

H. STATEMENT OF EQUITY

Nothing in this policy or its regulations is intended to infringe upon any constitutional or other legal rights regarding freedom of speech. This policy and regulations exist to ensure the privacy, safety, educational, and work environment of campus occupants. Application of this policy and regulations will be neither arbitrary nor capricious, nor shall they be based on the political content of the solicitation. All constitutionally protected speech will be permitted within the reasonable time, place, and manner parameters of this policy and regulations.

Contracts

If your student organization is planning to bring entertainment to campus (e.g., DJ, musician, speaker, comedian, lecturer, etc.), a contract must be processed. The Student Activities and Involvement office on your campus will process this contract for you. Contracts must be processed at least four weeks in advance of an event. To begin this process, please complete the Contract Worksheet found under “Campus Links” on OwlCentral. No student, student organization or student organization advisor can sign contracts on behalf of FAU.

Event Risk Management

Accidents happen, especially at meetings, events or other social activities. When accidents do take place liability and legal issues may result. The most effective way to prevent risk management issues from turning into liability issues is to be educated and aware, both as an individual and as a student organization. Please be aware that legal complications can occur from a direct liability chain when an individual was involved in the incident, or indirectly when it can be shown that an individual was in a supervisory or executive position and the person committing the act was under their control. If you are responsible or linked to responsibility based on your position in a student organization, you may be found liable. Your life could possibly change if you are responsible for a legal judgment.

The best way to avoid this unpleasantness is to avoid events and activities that are potentially high risky. Take the necessary precautions in planning your activities so that if something happens, liability will not follow you. When you are performing individual tasks, make sure you exercise the same type of caution and planning. Some of the recommendations that you and your organization may choose to consider are made in this section to help you avoid potential liability. While no risk management plan is guaranteed, these techniques and considerations should help in the risk reduction and planning process for you and your group.

Student Activities and Involvement desires for your student organizations to succeed in event planning and risk management. A large part of success involves taking precautions and carefully planning your activities to avoid situations which may jeopardize safety. Please consult Student Activities and Involvement with any concerns regarding Risk Management and Responsibilities of a student organization at Florida Atlantic University.

American Disabilities Act (ADA)

Florida Atlantic University is dedicated to providing an environment free from discrimination, protecting the rights and dignity of potential and current employees, students, and visitors regardless of disability status. FAU works to ensure that individuals with disabilities are treated fairly and equal to individuals without disabilities in all University activities including, but not limited to, employment, academia, services, benefits, social events, student organizations, activities, and research on any of FAU's campuses.

Florida Atlantic University complies with all federal, state, and local laws and guidelines that provide individuals with disabilities protection, including, but is not limited to: the Rehabilitation Act of 1973, as amended through 1998, the Americans with Disabilities Act of 1990, as amended, the Civil Rights Restoration Act of 1987, the Florida Civil Rights Act of 1992, and the Florida Educational Equity Act which require that otherwise qualified individuals may not, on the basis of disability, be denied access to, participation in, or the benefits of any program or activity operated by the University. It is further the policy of the University to enable individuals with disabilities to participate as independently as possible, facilitating enhancement of campus life and enrichment of the University community as a whole. People with disabilities must be full members of the educational community. FAU recognizes that traditional methods, programs, and services may not accommodate the needs of some individuals with disabilities. It is important to keep in mind that each person's situation is unique and must be evaluated on a case-by-case basis. Discrimination against a qualified individual with a disability, in any form, undermines the mission and values of the University, negatively affects the careers, education and experiences of the entire FAU community, and will not be tolerated. Each member of the University community has the responsibility to ensure that this policy is enacted in their daily practice.

What Student Organizations Need to Know

The Americans with Disabilities Act requires that we provide reasonable accommodations and remove structural barriers to the provision of goods and services for persons with disabilities. FAU requires all student organizations to provide access to all programs they coordinate or present. If you are planning a program, choose a location that is physically accessible.

If you receive a request for a hearing accommodation, Student Activities and Involvement can arrange for American Sign Language interpreter services and will provide funding for those services. There is no fee for SG funded student organizations; non-SG funded student organizations are responsible and will be billed for the payment of interpreters. Visit the Student Activities and Involvement office on your campus to arrange interpreters for your meetings or events.

To comply with the American Disabilities Act (ADA) Policy, student organization publications (flyers, posters, newsletters, banners, handbooks announcing events, etc.) targeting FAU students, staff, faculty, alumni, and the public must include the following statement:

If you need a reasonable accommodation to fully participate in this event please contact [person] at [phone number and e-mail address] or TTY Relay Station 1-800-955-8770. Please make your needs known as soon as possible to allow sufficient time for effective

accommodations, preferably by [insert day of week and date of 4 business days prior to the event].

If this statement is not on flyers brought to the Student Union, the flyers will not be approved and stamped.

Financial Information

Student Government Funding Opportunities:

Activity and Service Fees (A&S) are fees included in each student's tuition payment. A&S fees are used to fund the Student Union, Recreation & Fitness Center, student programming, Registered Student Organizations, Student Government, and a variety of other student support entities. A&S fees are allocated and monitored by students elected to FAU's Student Government. The Council of Student Organizations (COSO) is responsible for allocating funding to student organizations through (1) the **Annual Budgeting Process** and (2) **Contingency Funding** (New Student Organization Funding and Emergency Funding).

All registered student organizations go through the **annual budgeting process** to receive funding for the next academic year. Annual Budget packets are available in Mid-November and are typically due in the beginning of the Spring semester. Detailed instructions will be sent when the Annual Budget packet becomes available.

Any club that is formed after or missed Annual Budget deadline is eligible for **New Organization Funding or Emergency Funding**. New Organization Funding requests are due two business days before the bi-weekly COSO Funding Meetings with all justification attached. Meeting dates are established at the beginning of every semester, contingent on the schedules of the COSO Executive Board.

For New Organization Funding, the organization requesting funds must attend the Council's Funding Meeting in order to be allocated funds. The organization requesting funds shall be granted time to make a statement to the Executive Board and answer any questions the Executive Board deems necessary. The Executive Board will then proceed to vote on an amount to allocate the organization.

To request Emergency or New Organization funding:

1. Got to <https://fau.campuslabs.com/engage/>
2. Scroll to the bottom right hand corner to 'Campus Links'
3. Click Emergency Funding.

**Registered Student Organization at the Jupiter Campus can submit for contingency/new student organization funding at this link:

<https://fau.campuslabs.com/engage/submitter/form/start/8270>

Following the submission of this form the Registered Student Organization will attend a contingency budget hearing so their request can be proposed and formally voted on.

Travel

COSO cannot allocate any funds for student travel (including day travel, out of state travel, registration fees for an event off campus, etc.). To apply for travel funding, refer to the Travel Policies and Procedures found at <http://www.fau.edu/sg/sgtravel.php>.

Fundraising for Student Organizations

Fundraising is a great way for student organizations to raise money for their organization or for charity. Additionally, fundraising can help inform the community about your organization and its purpose.

A successful student organization fundraiser will typically:

- Appeal to a large, broad audience.
- Perform a needed service or meet a need.
- Be well-publicized through various media.
- Bring the organization and the community together.
- Encourage people to interact.
- Capitalize on the talents of your organization.

FAU Registered Student Organizations (RSO) may engage in fundraising activities under certain circumstances. Any proceeds of these fundraising activities must be donated to an IRS qualified organization (such as a Section 501(c)(3) charitable organization) or used for the activities and projects of the RSO itself, in furtherance of its goals and objectives. ALL fundraising activities by an RSO on or off campus are subject to the following guidelines:

General Fundraising Guidelines:

- 1) All RSOs wanting to fundraise must obtain approval from both their advisor and the Assistant Director of Student Organizations and Activities. This approval process is accomplished through the online event registration submission process through OwlCentral.
- 2) RSOs may not solicit tax deductible donations or issue gift receipts to donors for the deduction of such donations. Contributions are deductible only when made to IRS qualified organizations, and most (if not all) RSOs have not applied to the IRS to become a qualified organization.
- 3) All fundraising activities that involve the exchange of money must have the RSO advisor in attendance.
- 4) All fundraising activities and merchandise sales that are part of such fundraising activities must conform to University regulations and policies and Florida and Palm Beach county ordinances and laws. For example, raffles are restricted by state law (see [Florida Statute, Section 849.0935](#)), and date/service auctions are limited by University policy (see [Guidelines for Date/Service Auctions](#)). Additionally, the following activities are not permitted on FAU's campuses: bake sales, car bashes, electronic bashes, eating/drinking contests, raffles or gambling.
- 5) Sales of merchandise that are part of fundraising activities on FAU campuses may not conflict with or violate University contracts with existing campus vendors. RSOs may not use A&S fees to fundraise for the benefit of their organization or any charitable

organization. All RSOs wanting to hold a fundraiser that requires any financial expenditure must have sufficient non-A&S funds to cover these expenses.

- 6) Monies raised and/or collected from RSO fundraising activities must be deposited into the appropriate RSO off-campus bank account within 72 business hours after completion of the fundraising activity. Any checks received as part of the fundraising activity may only be made out to the RSO or the charitable organization for which the fundraiser is held.
- 7) No fundraising activities will be allowed for the financial gain of individual(s) outside of the common or charitable interests of the RSO or the charitable organization for which the fundraiser is held.
- 8) The RSO must use a two-part revenue/receipt book when collecting funds for the sale of merchandise (a two-part receipt book will be provided by Student Activities and Involvement or COSO). A receipt should be written, with a copy given to the purchaser of the merchandise and a copy kept by the RSO. The receipts should be kept on file by the treasurer of the RSO for a minimum of four (4) years for auditing purposes.
- 9) The RSO must have a collection box or bank bag with a lock on site to store the collected funds.
- 10) At the location of the fundraiser, the RSO must post in a visible location the fundraising disclaimer (see below).

Disclaimer: This fundraising event, and any organizations involved, do not represent Florida Atlantic University, its interests, or its opinions or indicate FAU's endorsement or support of either the fundraising organization or the charitable organization for which the fundraiser is held. Florida Atlantic University has provided no direct financial assistance for this fundraising event nor will Florida Atlantic University receive any funds from this fundraising event. Monies donated are collected and distributed solely at the discretion of the fundraising organization or the charitable organization for which this fundraiser is intended. Florida Atlantic University is not responsible for overseeing, receiving or distributing funds collected.

- 11) It shall be the responsibility of the RSO to monitor, clean up, and remove all materials at the site of the fundraiser when it is concluded.
- 12) Any RSO hosting a fundraising activity for the benefit of FAU must comply with FAU Policy 9.1 ([University Gift Solicitation and Acceptance](#)). Any funds donated to FAU must be coordinated with and handled directly by the FAU Foundation.
- 13) Violation by an RSO of any University regulation, policy, rule, or procedure while conducting the fundraising activity may result in a loss of RSO privileges or other measures deemed appropriate.

Additional Guidelines Specifically for Fundraising Events by RSOs to Benefit a Charitable Organization

- 1) The charitable organization must be an IRS qualified organization (such as a Section 501(c)(3) charitable organization).
- 2) At the location of the fundraiser, the RSO must have a representative of the charitable organization present and/or pamphlets and literature available about the charitable organization.
- 3) Within 30 days of the end of the fundraising activity, verification of receipt of funds collected by the RSO for the charitable organization must be made to Student Activities and Involvement. Verification may include one of the following:
 - a) A copy of the check or money order made out to the charitable organization, or
 - b) A letter from the charitable organization thanking the RSO for the donation, with the total amount donated listed.

IDEAS FOR FUNDRAISING

Membership Dues

Student organization may charge dues of their members. It's important to remember this may be a great means to raise money, but also potentially prohibit some students being involved in your student organization because of the cost associated.

Donations

Fundraising by soliciting donations, whether in the form of cash or merchandise, or by selling merchandise or services, is a powerful way to raise large amounts of money for important programs or events. Different ways to solicit donations are (a) person-to-person requests, (b) phone calls, and (c) mail solicitation. All of these provide great opportunities to educate others about the importance of your program and gain financial support. Remember that providing detailed information is important. Be prepared to answer all kinds of questions about your program, including how the money will be used and who else is participating. Many businesses wishing to make donations may ask for a tax-exempt number. Most RSO's are not tax exempt unless your organization has specifically applied for tax exemption from the IRS. RSO's cannot use the FAU tax exemption number for the purposes of obtaining donations. Additionally, RSO's may not issue gift receipts for donors making tax deductible donations. Your RSO must be registered by Student Activities and Involvement, and your fundraising event must be approved before you begin asking for donations.

Other Ideas

Fundraising events or activities are designed to increase the visibility of your group and encourage individuals to make contributions. They can also be a fun opportunity for members to take the lead on a project. Consider holding a car wash, used book sale, rummage sale, penny voting, silent auctions, etc. Fundraisers are easy to plan and most people have participated in at least one of these events in the past. In addition to the contributions you receive, these events provide great publicity for your RSO. Fundraisers can build awareness for your programs and forge strong community contacts.

Co-Sponsorship

RSOs have the opportunity to co-sponsor a fundraising program. Co-sponsorship combines the resources of two or more existing organizations, and generally benefits all co-sponsoring organizations. RSOs that co-sponsor a program are encouraged to create a Co-Sponsorship Agreement in which all event planning responsibilities are distributed and put in writing.

Successful co-sponsorship programs consist of the following:

- A written proposal early in the planning stages that combines the resources of two or more groups to carry out a successful program or service.
- Participation and input by all co-sponsoring organizations in the planning, marketing, and execution of the event. Requests for monetary contributions for co-sponsorships do not always create a sense of ownership on the part of the organizations and may discourage groups from assisting financially or otherwise in the future.

- A written agreement outlining which organization will carry out specific parts of a program or service. Written agreements should list the time and date of the program, the agreed-upon responsibilities of all co-sponsoring parties, and the signatures of all co-sponsoring parties. This agreement should provide all the necessary details in order for all groups to contribute to the success of the program or service.
- All co-sponsoring organizations or departments should be recognized in advertising and promotional campaigns before, during, and after the event.

To learn more about co-sponsorship and fundraising opportunities, contact Student Activities and Involvement.

Self-Generating Funds Accounts/Off-Campus Bank Accounts

Self-Generating Funds Accounts/Off-Campus Bank Accounts

Registered student organizations (RSOs) are able to open an off-campus bank account for self-generated funds. This account is primarily used for money your RSO raises through fundraising and membership dues.

Off-campus bank accounts are a great option for RSOs wishing to make small and quick payments and purchases from self-generated sources. However, it is the responsibility of your organization to keep track of the account. Bank Atlantic, our on-campus banking provider, is willing to work with your organization, but you may choose any bank that you would like. It is important to understand that Student Activities and Involvement has absolutely no jurisdiction over, or involvement with, off-campus bank accounts and will not get involved in matters concerning off-campus bank accounts. It is up to your student organization to monitor these funds and their proper use. **NO ACTIVITY & SERVICE FEES CAN BE DEPOSITED INTO THIS ACCOUNT.**

In the event that a RSO decides to open an off-campus bank account, the following requirements apply:

- The RSO is required to obtain an EIN/Tax ID number from the IRS
- The bank account must have two signatories
- The bank account name cannot include “Florida Atlantic University”
- Update information with the bank when officers or advisors change

Information about a Tax ID or Employer Identification Number (EIN)

What is a Tax ID or EIN?

A tax ID is like a social security number for your student organization. The purpose of this number is to make your student organization responsible for taxes on revenue that the student organization has earned. This number is unique to your student organization’s legal name and should be kept confidential, unless requested on a W-9 tax form from an entity you are doing business with.

Why should my student organization have one?

At Florida Atlantic University, acquiring a tax ID number is an essential component to opening an off-campus bank account for your student organization. Student organizations are not permitted to use the University's tax ID number; therefore, organizations must apply for their own unique number. Often times organizations are in situations that require a Federal tax ID number (i.e. opening an organizational bank account, conducting off-campus fundraisers, renting facilities, receiving/accepting donations, receiving payments, etc.).

How do I apply for a tax ID number or an EIN?

Any student organization that will raise money and, therefore, spend money, will need to maintain proper financial accounts for the group. The organization should file Form SS-4 with

the IRS via telephone. Any financial accounts created or maintained for the organization should be managed under this number.

Process for applying for a Tax ID or Employer Identification Number (EIN)

1. **Review the Form SS-4 Instructions** <http://www.irs.gov/pub/irs-pdf/fss4.pdf>
2. **Complete the Application Form SS-4.**

Completing this form will be useful as a guide when you call in to apply for your student organization's EIN. Please make sure to note the following:

Line 1: List your student organization's name. You CANNOT use "FAU" or "Florida Atlantic University" in the name for the EIN.

Line 4a: List address as 777 Glades Rd Student Union Rm 203

Line 7a: List name of Advisor, President or Treasurer (your choice, but can only be one person)

Line 7b: List Social Security number of person listed in Line 7a. Also, the responsible party applying for your student organization's EIN will also be required to disclose their date of birth when applying for EIN over the telephone.

Line 9a: Check other nonprofit organization (specify) student organization at university

Line 10: Check Banking purpose (specify purpose) Open Bank Account

Third Party Designee: n/a

3. **Apply for EIN with the Toll-Free Telephone Service**

Taxpayers can obtain an EIN immediately by calling the Business & Specialty Tax Line at (800) 829-4933. The hours of operation are 7:00 a.m. - 10:00 p.m. local time, Monday through Friday. An assistor takes the information, assigns the EIN, and provides the number to an authorized individual over the telephone.

4. If the student organization Advisor, President or Treasurer listed as the responsible party upon Form SS-4 changes, please write a formal notification to the IRS. This notification letter will need to state the new responsible party's name, social security number and date of birth, as well as the date that this change is effective. Please mail this notification letter to the following location:

Department of the Treasury
Internal Revenue Service Center
Ogden, UT 84291-0023

Tax Exempt Status - Just because your Student Organization has a Tax ID, does not make your Student Organization is Tax Exempt! Most student organizations believe that because they are essentially nonprofit and are comprised of students, they are automatically exempt from having to pay taxes. This is incorrect in most cases. There are two types of tax-exemption in which RSOs typically have an interest: income tax (through the IRS) and sales tax (through the

State of Florida). Related to federal income tax is the tax-deductible donation, which is of interest to RSOs that desire to raise funds from sponsors.

Travel Funding and Policies

FAU Student Government (SG) provides many services to the student body through the use of A&S fees, and travel awards are just one way SG allocates these fees to promote students' educational and professional development. Travel awards are available to registered students, both graduate and undergraduate, and Registered Student Organizations (RSOs). Through an application process, RSOs are able to receive funds to supplement the out-of-pocket costs of traveling to professional conferences, organizational meetings, trainings, competitions, and educational experiences. RSOs receiving this funding in the past have represented FAU around the world presenting research at international conferences, attending exclusive training or educational programs in specialty fields, and receiving honors and awards at various clubs/ sport competition.

Before you can join this prestigious group of traveling Owls, you must complete paperwork to initiate the application process. Instructions for both graduate and undergraduate students are available at http://www.fau.edu/sg/services/student_travel/index.php. We encourage you to read and review the travel policy, checklist and forms before submitting your application to make your experiences as easy and informed as possible! We also have provided some "travel tips" for you below.

Tips to Know Before You Go:

- The application process can be overwhelming for first time travelers. Feel free to ask Student Government or Student Activities and Involvement any questions you may have.
- Applications are due 4-5 weeks in advance of travel – NO EXCEPTIONS. It may seem like a long time, but we want to make sure that we have everything ready for your departure, and that you have plenty of time to finalize your plans before you go.
- Please include any reservations you have made with your application. If you haven't made reservations yet, don't worry. Just include a price quote for the dates you are traveling.
- If you have been accepted to speak or present at a conference, or are competing in an event, please provide documentation showing that you are a presenter or are registered to compete so that you can be considered for the award amounts available for presenting or competing travelers.
- If you will be driving to your destination, rent a car from AVIS. There is a discounted rate for FAU students. If you need something larger than a car, let us know and we can give you some advice.
- Expenses for driving your personal car to your destination are ineligible for reimbursement (this means gas!). Renting a car from AVIS will allow you to cover your fuel expenses.
- Check your receipts to make sure they show what you paid for and how you paid for it (cash, check, credit card, online payment, etc.).
- You can only be reimbursed for expenses paid by you, out of pocket, related to travel. Expenses paid by your advisor, department, spouse, parent or other third party are not eligible for reimbursement.

Recommended Guidelines for Financial Management

Student Activities and Involvement recommends the following guidelines to assist Registered Student Organizations (RSOs) in their financial management and budgeting practices:

1. The Treasurer should handle all key financial duties and transactions such as deposits, withdrawals, and account balance sheets. However, an additional officer should work closely with the Treasurer to understand the organization's financial operations.
2. The Treasurer and the President should have signature authority for the organization's off-campus self-generating bank account and all checks should require two signatures.
3. The Treasurer should provide budget information on a regular basis (i.e. at least once per month) to the organization's general body of members. Executive Board members should know the organization's financial position in detail. Other members should have a general knowledge of the organization's finances.
5. Accounting measures should be as accurate as possible and available upon request to any organizational member.
7. The Treasurer should use the mailing address and mailbox provided by Student Activities and Involvement. This ensures that all mail, despite changes in leadership, gets delivered to the same address.
