

DEPARTMENT OF CIVIL, ENVIRONMENTAL
& GEOMATICS ENGINEERING

College of Engineering & Computer Science
Florida Atlantic University

Transportation, Logistics and Supply Chain Management Certificate

Minimum Admissions Requirements

This certificate program is open to students who have a bachelor's degree in business or engineering or in a related field and a GPA of at least 3.0. Students must satisfy the prerequisites for each course in the program. All four required courses must be completed with a GPA of 3.0 or better. All course materials are in English; all international students must demonstrate proficiency in English to enter the program.
