

SUPPORT FACILITIES ELEMENT**Goal 1**

To ensure provision of support facilities to meet the needs of the Davie Campus.

Objective 1A

Provide new support facilities to support the mission of the University and to keep pace with the demands generated by enrollment growth.

Policy 1A-1

Periodically assess food service operations to ensure increased availability and variety as the campus population increases.

Policy 1A-2

Periodically assess childcare operations to ensure appropriate availability and variety of services to the campus population.

Policy 1A-3

Develop procedures to ensure proper input for design of recreation facilities, by including input from the student body and the appropriate University Departments and the appropriate BCC Departments.

Policy 1A-4

Continue to fund support facilities, both new construction and remodeling/renovation projects, based on legislatively allocated and PECO funding processes. At the same time, actively seek alternative or additional private funding for new support facilities.

Policy 1A-5

Future support facilities shall be located as shown in **Figure 6.1**.

GOALS, OBJECTIVES AND POLICIES**MASTER PLAN****6 Support Facilities****Policy 1A-6**

Commence/complete support projects contained in the 10-year Capital Improvements Schedule (see Capital Improvements Element).

Policy 1A-7

Develop strategies for marketing for support/research including office, that generally support University programs) and support/commercial (including bookstore, copy shop, bank, etc., that generally support students, faculty and staff and auxiliary functions).

Objective 1B

Construct new support facilities including casual-use athletic facilities to support the mission of the University.

Policy 1B-1

Commence/complete support projects contained in the 10-year Capital Improvements Schedule (see Capital Improvements Element).

Policy 1B-2

Seek CITF funding for new athletic and recreation facilities.

Policy 1B-3

Pursue joint –use programs for use of the BCC recreational facilities by University students for intramural sports, faculty, and staff.

Policy 1B-4

The University will continue to establish appropriate support facility priorities in the Fixed Capital Outlay Budget Request (PECO List) and will continue to update a consolidated support facility priority listing for new and renovated support facilities for all available funding.

Policy 1B-5

The University's President and his Executive Committee with the assistance of the University Architect's Office, will develop an annual program that addresses the allocation of funds for the development of future support facilities.

6 Support Facilities

Policy 1B-6

The University will continue to encourage energy efficiency and conservation techniques in all future facilities with the intent to meet or exceed the state energy design guidelines.

Policy 1B-7

Locate unforeseen facilities (arising from grant awards or other circumstances) according to schematic sites and zones as delineated on the Future Land Use graphic, **Figure 4.1**. Amendments to the plan that alone, or in conjunction with other plan amendments, exceed the thresholds established in s.240.155(9), F.S., shall be reviewed and adopted pursuant to ss.240.155(6)-(8), F.S. Further, amendments that do not exceed these thresholds shall be consolidated into a single annual submission and submitted to the Office of Capital Programs for review and approval (see Rules 6C-21.103(2)-(3), F.A.C.).
