Colleagues,

I am attaching two program change requests from CCEI. One is a revised version of the M.Ed. C & I AOS in early Childhood Education, and the other establishes a pathway for students unable to complete the Ph.D. in C & I to earn a Ed.S. (Specialist degree) in C & I. Please advise whether these changes impact your department, or whether there are any potential conflicts as per program change request requirements.

Regards,  
Emery
