PROCUREMENT

Purchase Orders/Supplier Contracts:

- Procurement Services will close all FY2024 Purchase Orders between June 26, 2024 to June 28, 2024, unless the Purchase Order has been designated to roll forward into FY25. **The fund balance of the PO will re-obligate funds in FY25 from the new FY budget.** Funds from FY24 do not roll forward with the purchase order. On Friday, June 28, 2024, all Supplier Contracts will be rolled into FY2025 unless otherwise requested or termed.
- PO roll forward request **should only** be used when the term of the agreement or the purchase spans the fiscal year. Otherwise, the PO will be closed effective 6/30/24 and a new REQ for FY25 should be created, resulting in a new PO.
- Please review the following **Purchase Order reports** as early as possible and run again prior to Monday, June 17, 2024, to determine which FY2024 POs should be designated to roll and re-obligate funds in FY25. These reports are available to anyone in the following Workday security groups: **Cost Center Accountant, Cost Center Manager, Departmental_Purchasing_Analyst_FAU, Departmental Financial Analyst_FAU and Finance Auditor.**

If this charge (or additional charges – hotel, per-diem, etc. that take place in August) was not expensed in FY2024, the FY2024 Spend Authorization should be used to create and process the expense report in FY2025.

ACCOUNTS PAYABLE

Supplier Invoices:

- Reach out to your Suppliers and request open invoices in May and early June.
- Request that Suppliers send 2024 invoices as early as possible, ideally by Wednesday, June 12, 2024, in PDF format to accountspayable@fau.edu.
- If invoices are sent directly to departments, do not hold them. Forward to accountspayable@fau.edu immediately. **Be sure each invoice is clearly marked with the correct purchase order number.** Invoices without purchase order numbers will not be processed in a timely fashion.
- An AP Specialist (an employee in the central Procurement department) will denote a "2024" or a "2025" in the invoice memo field to indicate the appropriate expense period for accruals starting July 1, 2024. The AP Specialist will process the Supplier invoice in the fiscal year as specified **by the date on the invoice business document**. Invoices dated 6/30/24 or before will be processed in FY24, provided they are received on time. Invoices dated 7/1/24 or after will be processed in FY25. * Please note - this is a change to how it was handled in the prior fiscal years. NOTE REGARDING THE FAU FOUNDATION:

To those throughout the University who manage FAU Foundation (FAUF) gifts and other Foundation related funding, since the FAUF has substantially grown over the last year, FAUF will be issuing a separate year-end task guidance. While many of the FAUF tasks do closely follow the FAU year-end calendar dates/times, there are some key differences due to their company specific e-Cards and other FAUF processes and reports. Also, it is important to note that not all FAU fiscal community members have FAUF funding or FAUF related transactions.
