Table with 2 columns and 5 rows: Project Title, FAU Account Number, Principal Investigator, Proposed Purchase, Vendor Name

In accordance with the provisions of Section 1004.22 (7), Florida statutes, Board of Trustees Standard Practice, and University procedures, a sponsored research exemption is approved as follows:

A. Competitive Procurement

- \_\_\_\_\_ The vendor is specified in the prime contract or award.
\_\_\_\_\_ The vendor has been approved in writing in accordance with provisions of the prime award.
\_\_\_\_\_ Purchase of goods or services from this vendor is more efficient or expeditious.
\_\_\_\_\_ Purchase of specific goods or services from this vendor can be demonstrated to be necessary to meet the time requirements of the prime award.
\_\_\_\_\_ Purchase from this vendor is mandated by scientific or technical requirements
\_\_\_\_\_ Other (specify) \_\_\_\_\_

B. Confidentiality

The prime award, or subcontract contains a confidentiality clause requiring the research materials to be exempted from public scrutiny, or it has been determined that pursuant to Section 240.241(2), Florida statutes, the research activity necessitates an exemption from public scrutiny.

- \_\_\_\_\_ Methods of manufacture or production \_\_\_\_\_ Business transactions
\_\_\_\_\_ Potential trade secrets \_\_\_\_\_ Proprietary information
