

You're invited to attend a forum to learn more about FAU's

Research Priority Areas

Thursday, November 12, 2009

9-10 a.m.

Board of Trustees Room, Administration Building, Third Floor

Presented by the Division of Research

C. Michael Moriarty, Ph.D.

Vice President for Research

The process to identify three to five broad research priority areas or "themes" that will help characterize FAU and assist us to achieve national prominence involves faculty, staff and students University-wide. This forum will provide you with important information on this new program at FAU and provide an opportunity for open discussion and Q&A.

RSVP is not necessary. For more information, contact Gisele Galoustian at ggaloust@fau.edu or 7-2010 or visit <http://wise.fau.edu/research/priorities.php>.
