

I-SENSE Seminar Series

On RF Sensing in the IoT with Commodity WiFi

Shiwen Mao, Ph.D.
Professor and Director of WEREC
Department of Electrical and Computer Engineering
Auburn University

Dr. Mao will present his recent work on exploiting RF sensing with commodity WiFi for vital sign monitoring and for fingerprinting based indoor localization. His research interests include 5G wireless, IoT, and Smart Grid.

11 a.m. - 12 p.m. Thursday September 13
Engineering East Building, Room 405
Boca Raton Campus
