## **About Program Board**

Program Board is a student-run, student-driven program of Student Government dedicated to provide entertaining, social and educational programming to the FAU community. Program Board is led by a student director and is comprised of 6 committees (CarnivOWL, Concert, Special Events, Film and Lecture, Student Union and Advertising). Each committee is chaired by a student coordinator who is responsible for the planning, implementation and evaluation of their events. Each committee is made up of student volunteers who meet to discuss past, current and future programs. Most importantly, Program Board is FUN; members know how to have a great time while working hard!

**CarnivOWL Chair:** This chair coordinates Program Board's late night CarnivOWL programs, which include the foam dance party, winter wonderland, club SU, among many others.

**Concert Chair:** This chair is responsible for all of the musical acts that Program Board books for the Student Union Unplugged daytime music series, Battle of the Bands, and Java Jive at the Owl House coffeehouse series. The chair is also in charge of booking the major, nationally recognized acts that perform at FAU for Freaker's Ball and the Spring Concert.

**Special Events Chair:** This chair is responsible for planning our large annual events, include the Sunshine State Classic Step Show, Fall Family Fest and Fashion Show, as well as the bi-monthly Wipe Out Wednesday Breezeway Series events.

**Film and Lecture Chair:** This chair is responsible for all guest lecturers and films that are sponsored by the Program Board, including the Ghost Hunters lecture, Drive-in Movie, Haze: The Movie and poetry slams.

**Student Union Chair:** This chair is responsible for planning most events that occur in the Student Union, including the monthly comedy shows, novelty performance, such as hypnotists, magicians, and mentalists, and also theme dinners, like the International Festival.

**Advertising Chair:** The chair of this committee is responsible for coordinating the advertising and marketing efforts of all Program Board events.
