

Dear Members of the UUPC,

At our last University Honors Council meeting, 19 April 2019, the members of the committee recommended and voted on being informed of title, pre-req, and description changes to courses, but not having to vote on such items. The UHC's Chair is to send a note to the UUPC that upon review, the course changes are acceptable.

Based on these guidelines and as Chair of the UHC, I would like to inform you that the proposed changes to the title and the pre-reqs to EUH 3575 are acceptable and on behalf of the UHC, I would like to request that the UUPC accepts them.

Thank you for your consideration,
