RE: ECO 4943 H Advanced Research & Writing Methods in Business & Economics II
Change number of credits to Concentration in Economics
Change number of credits to Concentration in Business

As per FAU's Honors Curriculum Manual, the course proposal for ECO 4943 was submitted to the Wilkes Honors College Undergraduate Programs Committee. The proposal was then discussed at our meeting and e-approved by the University Honors Council on 24 April 2019.

After that e-vote, the committee e-voted on 25 April 2019 to approve the request to change the number of credits to the Economics and Business concentrations which we had also discussed at our meeting.

We are now asking the UUPC to consider the new course and the changes to the concentrations and give them approval for inclusion in the catalog. Thank you.
