	Department College Undergraduate Studies		
Program Name Bachelors of General Studies degree	<input type="checkbox"/> New Program <input checked="" type="checkbox"/> Change Program	Effective Date (TERM & YEAR) Spring 2020	
<p>Please explain the requested change(s) and offer rationale below or on an attachment</p> <p>The proposal offered here is to award the BGS degree through Undergraduate Studies, but only for those colleges who do not wish to offer it. Those colleges preferring to continue to offer the BGS degree may continue to do so. Some students have been unable to graduate from their degree of choice because of unforeseen circumstances or inability to pass remaining required coursework. Because their college does not offer the BGS degree, they have been forced to transfer to another college and complete a semester or more of additional coursework. The offering of the BGS degree through Undergraduate Studies would allow these students to graduate immediately (if they have met requirements for the BGS).</p>
