Marcella,

I checked with my colleagues in languages. We have no objections.

**Subject:** Update to the Spanish minor

Dear Christopher and Miguel,

Here is the parallel "program change" paperwork for the fully online Spanish minor. In the case of the Spanish minor, the track that we have developed a fully online version of is the Non-Heritage Learners' Track.

Please take a look, and please let me know if we have your approval for this.

With all best,

Marcella
