Dear Dr. Cardei,

This email affirms that the Wilkes Honors College has no objections to the proposal for CAP 4773 and the Certificate in Data Science and Analytics and that neither present any conflict with our college's curriculum.

Subject: Request for approval

Dear Dr. Tunick,

Computer and Electrical Engineering and Computer Science (CEECS) department is proposing a new course (CAP 4773 Introduction to Data Science and Analytics) and a new undergraduate Certificate in Data Science and Analytics, please see attachments.

We would like to ask for Wilkes Honors College's approval of these two proposals.

Thank you,
Mihaela Cardei
