

For the past three semesters, the vast majority of non-degree students taking 12 credits or more have been FAU High dually-enrolled students. Other high school dually-enrolled students are prohibited from taking more than eight credits. Of the students who earned a 4.0 semester GPA, more than 90% of the students were FAU high students.

Term	# of undergraduate non-degree students enrolled in 12 or more credits	High School Dual (All FAU HS)	Percent	# with 4.0	HS Dual with 4.0	Percent

The two policies related to the Dean's List and the President's List are as follows:

Dean's List

The University recognizes superior academic performance at the end of each semester by the publication of a Dean's List for each college of the University. To be included in this list, an undergraduate student must complete a full-time load (at least 12 credits) with a grade point average of 3.0 or higher and must rank in the upper 10 percent of the students enrolled in the college. The selection of Dean's List students is based on grades reported on the official grade reporting date for each semester. No changes are made to the list as a result of grade changes and removal of "I" grades. Grades of "AU," "NC," "NR," "P," "S" and "U" are not used in determining eligibility for the Dean's List.

President's List

In recognition of superior academic achievement, the President's List is published at the end of each semester of the academic year. This list includes the names of all undergraduate students who have completed 12 or more credits and who have attained a grade point average of 4.0. The selection of President's List students is based on grades reported on the official grade reporting date for each semester. No changes are made to the list as a result of grade changes and removal of "I" grades. Grades of "AU," "NC," "NR," "P," "S" and "U" are not used in determining eligibility for the President's List.

The Dean's List policy specifies "...for each college of the University" while the President's List policy is silent on a college. In Banner, the "UN" college has a description of: Undecided College/Major. Approximately 87% of students tied to this college are non-degree students with the remaining being our undecided students not attached to a specific college.
