Re: New Certificate Proposal for Casino and Gaming Management (CASINO)
Date: November 29, 2018

Please see attached **PROPOSED** certificate for Casino and Gaming Management (CASINO) to be offered through the hospitality and tourism management program in the college of business.

Our program already offers certificates in hospitality and tourism management (1), club management (2), and meetings and events management (3).

The casino course, HFT 3785 was fully approved over the past 24 months after an initial run as a special topics course (HFT 4930). The course has performed well, has strong attendance, and will be the core course of this certificate offering.

As with our other certificates, all students must:

- a) Complete 15 hours as required on the attached
- b) Have an advisor for the certificate which will be Dr. Peter Ricci
- c) Complete all courses with a grade of C or higher

The addition of this certificate does *not* required any additional faculty resources or costs to the college or university overall.

The courses included in this certificate are *already* being offered on a regular rotation spring, summer, and/or fall.

We would like to offer the certificate starting in summer, 2019.

If you have any questions, please reach out to Dr. Peter Ricci at peter.ricci@fau.edu or 561-297-3666.

Thank you!
