RE: Changes to ILHP (Innovation Leadership Honors Program)
EGN 4933 Engineering Honors Seminar

As per FAU's Honors Curriculum Manual, the changes to the ILHP Honors were submitted to the College of Engineering and Computer Science's Undergraduate Programs Committee. The changes and their rationale (including changing the name to Engineering Honors) were then discussed and approved by the University Honors Council on 23 August 2019.

The University Honors Council also discussed and approved the new course proposal, EGN 4933.

We are now asking the UUPC to consider the changes to the program and the new course proposal and give them approval for inclusion in the catalog. Thank you.
