**RE:** Changes to Honors in Psychology  
PSY 4923 Honors Critical Questions in Psychology

As per FAU's Honors Curriculum Manual, the changes to the Honors in Psychology program were submitted to the Schmidt College of Science's Undergraduate Programs Committee. The changes and their rationale were then discussed and approved by the University Honors Council on 23 August 2019.

The University Honors Council also discussed and approved the new course proposal, PSY 4923.

We are now asking the UUPC to consider the changes to the program and the new course proposal and give them approval for inclusion in the catalog. Thank you.
