Email this form and syllabus to mjenning@fau.edu seven business days before the UUPC meeting.

The Sociology Department would like to move several of its courses from the 4000 to 3000-level. In terms of content and rigor, the courses will remain the same as they were when delivered at the 4000-level. The purpose of moving the courses to the 3000-level is so that we may heighten the rigor of our 4000-level courses. The rationale is discussed in the program change memo associated with this dossier.

The courses we would like to move to the 3000-level are listed below:

SYA 4120 Contemporary Social Theory to SYA 3120
SYD 4510 Environmental Sociology to SYD 3510
SYD 4602 Urban Community to SYD 3600
SYD 4702 Race in Global Context to SYD 3701
SYD 4804 Sociology of the Body to SYD 3804
SYG 4244 Sociology of Food to SYG 3242
SYO 4200 Sociology of Religion to SYO 3200
SYO 4250 Sociology of Education to SYO 3250
SYO 4534 Poverty & Society to SYO 3534
SYO 4370 Gender and Work to SYO 3370
SYO 4377 Labor and Globalization to SYO 3371
SYO 4410 Sociology of Mental Health to SYO 3410
SYO 4448 Animals & Society to SYO 3442
SYP 4014 Sociology of Happiness to SYP 3011
SYP 4112 Microsociology to SYP 3112
SYP 4304 Social Movements to SYP 3302
SYP 4420 Sociology of Consumption to SYP 3420
SYP 4454 Globalization and Social Movements to SYP 3454
SYP 4530 Adolescence & Delinquency to SYP 3530
SYP 4714 Sociology of Youth to SYP 3712
SYP 4774 Youth Subcultures to SYP 3772
SYA 4150 Social Conflict to SYA 3150
**SYP 4451 Globalization and U.S. Cities to SYP 3451 Globalization and Cities

Because we are moving the above courses from 4000 to 3000-level—and because we are increasing the rigor of our remaining 4000-level courses—we would like to eliminate their prerequisites. Effective Spring 2021, there will be no prerequisites for the above courses.

**Please note that we have included an individual course change form for SYP 4451 to SYP 3451 because we are making a minor change to the course title (Globalization and U.S. Cities to Globalization and Cities). The reason is that future iterations of the course will examine not just how globalization has affected U.S. cities, but how it has affected cities across the world. The rationale for changing the course's call number and prerequisites are the same as described above.
