Dear Tamara,

Sorry for the delayed response. CEECS approves these changes.

Thanks,

Hanqi

Subject: FW: Joint ITOM-CSCE minor and certificate in Cybersecurity

Dear Dr. Zhuang:

Per the email below from Maria Jennings (Registrar Catalog Master), I created the two program change forms. Please carefully go through all the attachments and let me know if your department approves the changes, specifically mentioning both the change and the termination. That will suffice for us going forward. I will submit your emails with approvals as part of the documentation.

Best Regards:

Tamara
