Subject: Re: proposal for Mobile GIS and Drone Technology course

Dear Dr. Xie,

I am pleased to inform you that CEGE has no objection to the proposed Mobile GIS Drone Technology course.

Looking forward to more course collaborations with GeoScience.

Stay safe,

Yan

Subject: proposal for Mobile GIS and Drone Technology course

Good Morning Dr. Yong,
We are proposing a new course, titled "MOBILE GIS & DRONE TECHNOLOGY", currently being taught as special topic class. Attached please find the syllabus and course form.

I understand your department is proposing a new course "Foundations of UAS Mapping" and hope both courses can move forward with support from both departments.

Thanks and hope all is well with COVID-19 situation.

Zhixiao
