Chair, University Honors Council (UHC)
University Honors Director

A handwritten signature in blue ink, appearing to read 'Mary Ann Gosser', is written over the printed name and title.

DATE: 20 March 2020

RE: New combined BA or BS into an MS in Mathematics (Wilkes Honors College/Schmidt College of Science)
New combined BA or BS into an MS in Applied Mathematics and Statistics (Wilkes Honors College/Schmidt College of Science)

As per FAU's Honors Curriculum Manual, these two new combined degrees for WHC students with a BA or BS in either Liberal Arts and Sciences or Biological and Physical Sciences to continue into either an MS in Mathematics or Applied Mathematics and Statistics in the Schmidt College of Science were submitted to the Wilkes Honors College Undergraduate Programs Committee. The proposals were then discussed and approved by the University Honors Council on 20 March 2020.

We are now asking the UUPC to consider these new combined degrees and give them approval for inclusion in the catalog. Thank you.
