**Subject:** Approval of WST 2130 Gender and Climate Change for the Global Citizenship Foundation

Dr. Morse,

This is to confirm the approval of the 3-credit IFP course WST 2130 "Gender and Climate Change" as a part of the Global Citizenship Foundation. The Core Curriculum Committee approved this course on July 10, 2020. The approval of courses for the thematic program will begin in the fall.

Please submit a copy of the executed Undergraduate Programs New Course Proposal form to me once the course is approved by UUPC.

Please let me know if you have any questions.

Dr. Anthony Ambrosio, Ph.D.

Director of Assessment, Undergraduate Studies
