

Dear Steven,

We look forward to collaborating with you on subjects of health and the built environment. I think some of our majors might be interested in taking this new course as an elective.

Subject: URP 4523 Health and the Build Environment

Dear Steven,

Hope all is well with you. This email serves as the CEGE's official endorsement of your recent proposal for URP 4523 Health and the Built Environment.

Thanks,

Yan
