The B.A. with concentration in Studio Art is designed for a general education in the visual arts with coursework offered in Ceramics, Drawing, Graphic Design, Painting, Photography, Printmaking and Sculpture. Students are given rigorous training in the foundations of art as well as in ways to explore new and innovative questions, theories and ideas that drive art today. Students are encouraged to create individualized programs of study anchored by intermediate-level study in **three multiple** studio areas. Majors are expected to explore the variety and breadth of contemporary art practice in order to develop their own understanding of directions in visual art and their own artistic practice.

Program Requirements and Curriculum

Students are required to take **22-18** credits in Core Program Prerequisites, submit to a portfolio review and take **48-36** credits in upper-division studio art and art history coursework for a total of **70-54** credits. **Transfer students from institutions with 3-credit art courses are likely to need more credits in visual art than the minimum described above.** Transfer coursework to be credited toward the degree must be evaluated by the department chair. Students should also note that at least 75 percent of all upper-division credits for the B.A. must be taken in the Department of Visual Arts and Art History at FAU. Please consult the Academic Flight Plan for the B.A. in Studio Art with an academic advisor.

The B.A. program also requires that students fulfill the University's Foreign Language Requirement. See the [Degree Requirements section](#) in this catalog for complete information.
