COURSE TITLE **Classroom Management for Inclusive Elementary Schools**
(3 CR)

CREDITS **3 cr** **CRN:**

CATALOG DESCRIPTION

This course provides an overview of strategies and techniques for elementary education teachers learning to organize and manage K-5 classroom settings. Emphasis is on working with large groups and multiple groups of students with diverse learning, behavioral, linguistic, and cultural characteristics.

PREREQUISITE:

COURSE CONNECTION TO CONCEPTUAL FRAMEWORK

As a reflective decision-maker, the student will make informed decisions through the preparation of a classroom management plan from a given case study, will exhibit ethical behavior when discussing observations of behaviors from their prior school settings, and will provide evidence of being a capable professional with the successful completion of literature reviews and case studies.

REQUIRED TEXTBOOKS:

Riffel, L., & Mitchiner, M.S. (2014). *Positive Behavior Support at the Secondary "Targeted Group" Level: Yellow Zone Strategies*. Thousand Oaks, CA: Corwin Press.

Jenson, W.R., Rhode, G., & Reavis, H.K. (2020). *The Tough Kid Toolbox*. (3rd ed.) Eugene, OR: Pacific Northwest.

TECHNOLOGY

E-mail: Your FAU email address will be used.

Canvas: This course may be web assisted through FAU Canvas site. Some handouts, forms, handbook and resources may be available on the website. Go to the website:

<http://www.fau.edu/canvas/>

LiveText:

Students in this course are required to have an active LiveText account to track mastery of programs skills, competencies and critical assignments and to meet program and College accreditation requirements. Information regarding obtaining an account is provided on the College of Education website, <http://coe.fau.edu/livetext>.

GUIDELINES USED IN DEVELOPING COURSE OBJECTIVES

- CEC International Standards for Preparation and Certification of Special Education Teachers (CEC)
 - Collaboration for Effective Educator Development, Accountability and Reform (CEEDAR) and the Council for Exceptional Children (CEC) High Leverage Practices (HLP)
 - State of Florida Certification Standards for Exceptional Student Education (ESE) (Rule 6A)
 - New Florida Educator Accomplished Practices (FEAP)
 - Florida Subject Area Competencies ESOL (ESOL)
- (The applicable standards for this course are presented in Appendix A of this syllabus.)

COURSE OBJECTIVES

At the end of the course, the successful student will be able to:

1. Demonstrate knowledge and an understanding of a variety of classroom management techniques appropriate to influencing culturally appropriate individual and group behavior. (CEC cc5K1 – 5K6) (ESOL D1: S1.1.a, 1.1.b, D4: S4.1.b) (FEAP a.2.h) (HLP8)
2. Acquire skills for listening, responding, exploring alternatives, and resolving conflicts in order to create and maintain a climate that promotes student self-motivation among culturally and linguistically diverse students. (CEC 5S14, 10S7, gc5S5) (ESE 6.3) (ESOL D1:S1.1.d) (HLP9)
3. Develop techniques for managing routines within the class, such as transitions, material management, and record keeping. (CEC cc5S12, 5S13, gc5S6, cc8S10; EAP a.2.b) (ESE 3.2) (ESOL D2: S2.2.a, D3:S3.2.a, D1:S1.1.a) (FEAP a.2.a) (HLP7; HLP8)
4. Establish a workable system of discipline sensitive to students with cultural, linguistic, racial, socioeconomic, religious and gender differences to maximize learning and instructional time. (CEC cc5S5, 5S10) (ESOL D2:S2.2.c, D3:S3.2.j, D1:S1.1.a) (FEAP a.2.b; a.2.h) (HLP9)
5. Demonstrate knowledge of discipline policies used to maintain a healthy and safe school environment, including school-based policies (e.g., school-wide discipline policies) and district mandated responses (e.g., zero tolerance policies, bullying prevention). (CEC cc 5K6, 5S1) (FL Rule 6A)
6. Demonstrate an understanding of attitudes underlying student behavior. (FEAP a.2.h) (HLP10)

7. Identify and solve problems employing concrete strategies for dealing with chronic problems. (FEAP a.2.b, ESOL D1:S1.1.a) **(HLP10)**

COURSE CONTENT

- Principles of classroom management
- Principles of effective instructional practices that promote positive classroom behavior
- Refining class rules, procedures, and routines (Tier 1)
- Managing cooperative groups/Social Emotional Learning
- Positive Behavioral Supports and Interventions (school-wide and classroom wide)
- Defining a behavior problem
- Use of verbal and nonverbal strategies to minimize behavior problems
- Responding to challenging behavior for individual students
- Supporting and promoting appropriate behavior
- Function-based assessments
- Addressing Bullying
- Evidence-based Practices

COURSE REQUIREMENTS

1. CRITICAL ASSIGNMENT: CASE STUDY OF CLASSROOM DISCIPLINE

(1 @ 35 points)

The student will complete a hypothetical case study report describing effective classroom management strategies to be used in an inclusive K-5 classroom. The case study will include a report of the current classroom management strategies, a rationale defending or rejecting current classroom management system elements, and a description of a revised classroom management plan to create a more positive and productive classroom environment. The case study report will include the following components:

- (a) Narrative summary of the hypothetical case
- (b) Rationale supporting or rejecting current classroom management strategies (connecting back to research/theories)
- (c) Revised Classroom Management Plan including:
 - Physical layout of classroom,
 - Classroom rules and consequences,
 - Description of how you will teach rules and consequences,
 - Procedures for:
 - Entering/leaving classroom
 - Getting classroom supplies
 - Using the restroom
 - Transitions (moving to centers, whole group to small group, etc)
 - Verbal and Nonverbal Strategies

Grouping Strategies (identify and define 2)
 Group Contingencies (identify and define 2)

(d) Reflection including:

Discuss how your thinking has changed from when you first read the case study to creating a revised classroom management plan making connections back to what you have learned throughout this course.

Critical Assignments and Florida Educator Accomplished Practices

The Florida Department of Education has identified a set of Accomplished Practices that must be mastered in order to continue in the Teacher Education Bachelor's Degree Program. **For this course, the Educator Accomplished Practices (EAP a.2.b and EAP a.2.a) will be measured by the Classroom Discipline Plan, which is the Critical Assignment.** Please read carefully the Teaching and Learning departmental policy on Critical Assignments.

Teaching and Learning Departmental Policy on CRITICAL ASSIGNMENT(S):

Assessment criteria:

A student must earn a **minimum grade of 73%** of the points allotted for the Critical Assignment to receive a passing grade (C or higher) in this course. In other words, a student cannot pass the course without successfully completing the critical assignment.

Remediation policy:

- **If a student is passing the course with a C or better**, but has failed to pass the Critical Assignment with a minimum of 73% of the possible points for the assignment, the student will receive an "I" in the course until the Critical Assignment is successfully redone (only one attempt allowed). The conditions and time frame for the resubmission of the assignment will be determined by the instructor. However, the second attempt *must be completed within one semester*. **Upon successful completion of the resubmitted assignment**, the "I" will be changed to a grade for the course. The original points earned for the initial attempt at the Critical Assignment will be used to calculate the final grade in the course. **If the resubmitted Critical Assignment is not successfully passed after one remediation attempt**, the grade for the course will be C- or below regardless of the total points earned in the course.
- **If a student is not passing the course**, and has failed to pass the Critical Assignment with a minimum of 73% of the possible points, the student will not be allowed to resubmit the Critical Assignment. The student will need to repeat the course and the Critical Assignment.

2. STUDENT CASE STUDIES:

(2 @ 15 points each)

Students will be responsible for completing two hypothetical case studies based on text and lecture material. The cases will be provided to the student in class and will represent a broad array of student diversity. The student will respond to the scenarios presented in the case with a combination of effective and culturally appropriate solutions from the text, class and experiential

background. Students will respond to the cases by considering five features of an intervention. Students will generate answers to the five features by using information found in the text and relevant journal articles. The response format will be further clarified in class and is dependent upon the particular case. The general response format for responding to the cases is as follows:

- a. Assess the problem including identifying the function of the behavior.
- b. Formulate objectives of intervention.
- c. Plan an effective intervention.
- d. Implement the intervention (hypothetical- how might the student react?)
- e. Evaluate the results (hypothetical- what could have been done differently?)

3. IRIS Modules & Module Assessment Pages

(6 @ 10 pts each)

IRIS Modules enhance content of the course and provide additional application opportunities. The Assessment page for each module will be completed and brought to class for discussion. IRIS modules and other resources also provide a known source for evidence-based practices and resources for all teachers supporting students with varying abilities.

4. RESOURCE BINDER

(6 @ 5 pts each)

For each section below, the student will add at least 1 forms of evidence to document effective strategies/research in that area. For each evidence provide, the student will provide a brief summary of why this evidence is being added to his/her binder. Refer to evidence summary form in appendix.

Sections:

- I. Classroom Rules/Consequences
- II. Classroom Procedures and Routines
- III. Transition Strategies
- IV. Grouping Strategies
- V. Verbal and Nonverbal Strategies
- VI. Individual Behavior Strategies

5. PRACTICAL APPLICATION ACTIVITIES

(5 @ 5 points each)

Classroom management is much more effective when practiced before implementing in a real classroom. Using role play and discussion of student practicum experiences, in-class activities will allow the student to practice management techniques studied in class and within the readings. These activities will be reviewed and evaluated by the instructor. ***Application activities that are missed may not be made up.***

PROFESSIONAL ETHICS / POLICIES AND EXPECTATIONS

As reflective decision-makers, FAU students choose to practice ethical behavior during class, in the university community, and while participating in field experiences. FAU students in teacher preparation programs are expected to demonstrate professional demeanor in their FAU

courses including attendance, participation and responsible attention to requirements and deadlines necessary for the successful completion of the teacher education program.

TEACHING METHODS

Methods of instruction include lectures, discussions, modeling, guided practice, group activities, cooperative learning presentations, and media presentations. Participants will acquire knowledge and skills related to teaching students with exceptionalities, including students from various cultural, religious, ethnic, socioeconomic and language backgrounds.

ASSESSMENT PROCEDURES

Points for each activity are cumulative. To obtain your grade, you must divide your cumulative number of points by the total number of points for the class and multiply by 100.

Assignment	Points	% Course Grade
Case Study of Classroom Discipline (CA)	35	32%
Student Case Studies (2 @ 15 pts)	30	20%
Resource Binder (6 @ 5 pts)	30	10%
Application Activities (5 @ 5 pts)	25	10%
IRIS Modules & Assessment Page (6 @ 10 pts)	60	28%
TOTAL	108	100%

GRADING (ESE GRADING SCALE):

Activity scores are cumulative and the grade scale represents percentage of total points earned.

A = 93-100	A- = 90-92	B+= 87-89	B = 83-86
B-= 80-82	C+= 77-79	C = 73-76	C-= 70-72
D+= 67-69	D = 63-66	D-= 60-62	F = Below 60

POLICIES AND PROCEDURES

To avoid learner confusion or disappointment, the following are assumptions and expectations for this course:

UNIVERSITY ATTENDANCE POLICY

Students are expected to attend all of their scheduled University classes and to satisfy all academic objectives as outlined by the instructor. The effect of absences upon grades is determined by the instructor, and the University reserves the right to deal at any time with individual cases of nonattendance. Attendance includes active involvement in all class sessions, class discussions, and class activities, as well as professional conduct in class.

Students are responsible for arranging to make up work missed because of legitimate class absence, such as illness, family emergencies, military obligation, court-imposed legal obligations, or participation in University-sponsored activities (such as athletic or scholastic team, musical and theatrical performances, and debate activities). It is the student's responsibility to give the instructor notice prior to any anticipated absence, and within a reasonable amount of time after an unanticipated absence, ordinarily by the next scheduled class meeting. Instructors must allow each student who is absent for a University-approved reason the opportunity to make

up work missed without any reduction in the student's final course grade as a direct result of such absence. The complete University policy on attendance can be found by following the link listed here: <http://www.fau.edu/academic/registrar/FAUcatalog/academics.php>

OTHER POLICIES:

1. The course carries **two (2)** credits. Students are expected to complete course requirements sufficient to earn two credits during the time-span of the course.
2. Students are encouraged to talk with the instructor if there are concerns or problems relating to the course
3. A minimum grade of C (not C-) is required for courses in teacher preparation Bachelor's degree programs.
4. All **written assignments** must be typed, double-spaced with the name and number of the assignment. All projects assigned will be discussed in class and a format provided for each.
5. Due dates for assignments are provided in the course outline and will be enforced. Assignments submitted late will be dropped 1 letter grade per day late.

STUDENTS WITH DISABILITIES

In compliance with the Americans with Disabilities Act (ADA) and FAU policy, students with disabilities who require special accommodations to properly execute course work must register with Student Accessibility Services (SAS) and provide the instructor of this course with a letter from SAS which indicates the reasonable accommodations that would be appropriate for this course. SAS offices are located on Boca, Davie and Jupiter campuses. Information regarding SAS services and locations can be found on the FAU website. <http://fau.edu/sas/>.

COUNSELING AND PSYCHOLOGICAL SERVICES (CAPS)

Center Life as a university student can be challenging physically, mentally and emotionally. Students who find stress negatively affecting their ability to achieve academic or personal goals may wish to consider utilizing FAU's Counseling and Psychological Services (CAPS) Center. CAPS provides FAU students a range of services – individual counseling, support meetings, and psychiatric services, to name a few – offered to help improve and maintain emotional well-being. For more information, go to <http://www.fau.edu/counseling/>

CODE OF ACADEMIC INTEGRITY

Students at Florida Atlantic University are expected to maintain the highest ethical standards. Academic dishonesty is considered a serious breach of these ethical standards, because it interferes with the university mission to provide a high quality education in which no student enjoys an unfair advantage over any other. Academic dishonesty is also destructive of the university community, which is grounded in a system of mutual trust and places high value on personal integrity and individual responsibility. Harsh penalties are associated with academic dishonesty. For more information, see http://www.fau.edu/regulations/chapter4/Reg_4.001_5-26-10_FINAL.pdf

**STATE OF FLORIDA CERTIFICATION STANDARDS
FOR EXCEPTIONAL STUDENT EDUCATION (ESE)**

- 3.2 Select instructional practices that reflect individual learning needs & incorporate a wide range of learning strategies & specialized materials to create an appropriate instructional environment for students with disabilities.

FLORIDA EDUCATOR ACCOMPLISHED PRACTICES (FEAP) 2010

- a.1.f** Quality of Instruction: instructional design: Develops learning experiences that require students to demonstrate a variety of applicable skills and competencies
- a.2.a** Quality of Instruction: learning environment: Organizes, allocates, and manages the resources of time, space and attention
- a.2.b** Quality of Instruction: learning environment: Manages individual and class behaviors through a well-planned management system
- a.2.c** Quality of Instruction: learning environment: Conveys high expectations to all students
- a.2.h** Quality of Instruction: learning environment: Adapts the learning environment to accommodate the differing needs and diversity of students

FLORIDA STANDARDS FOR ESOL ENDORSEMENT 2010

Domain 1: Culture (Cross-Cultural Communications)

- D1: S1.1: Culture as a Factor in ELLs' Learning** Teachers will know and apply understanding of theories related to the effect of culture in language learning and school achievement for ELLs from diverse backgrounds. Teachers will identify and understand the nature and role of culture, cultural groups, and individual cultural identities.

Domain 2: Language and Literacy (Applied Linguistics)

- D2: S2.3: Second Language Literacy Development** Teachers will demonstrate an understanding of the components of literacy, and will understand and apply theories of second language literacy development to support ELLs' learning.

Domain 3: Methods of Teaching English to Speakers of Other Languages (ESOL)

D3: S3.2: Standards-Based ESL and Content Instruction Teachers will know, manage, and implement a variety of teaching strategies and techniques for developing and integrating ELLs' English listening, speaking, reading, and writing skills. The teacher will support ELLs' access to the core curriculum by teaching language through academic content.

D3: S3.3: Effective Use of Resources and Technologies Teachers will be familiar with and be able to select, adapt and use a wide range of standards-based materials, resources, and technologies.

Domain 4: ESOL Curriculum and Materials Development

D4: S4.1: Planning for Standards-Based Instruction of ELLs Teachers will know, understand, and apply concepts, research, best practices, and evidenced-based strategies to plan classroom instruction in a supportive learning environment for ELLs. The teacher will plan for multilevel classrooms with learners from diverse backgrounds using a standards-based ESOL curriculum.

D4: S4.2: Instructional Resources and Technology Teachers will know, select, and adapt a wide range of standards-based materials, resources, and technologies.

Scoring Rubric for Resource Binder

Name: _____ Overall Rating / Points Earned: _____ / _____

Binder Sections	5	3	1	0
Classroom Rules/Consequences	At least 1 forms of evidence that document effective strategies/research in that area. Student provide evidence form for each evidence added to the corresponding section. Evidence form provided thorough connection to research and in depth reflection.	1 forms of evidence to document effective strategies/research in that area. Student provide evidence form for each evidence added to the corresponding section. Evidence form provided adequate connection to research and reflection.	1 form of evidence that documented effective strategy/research in that area. Student provide evidence form that made connection to research and completed reflection.	No evidence
Classroom Procedures and Routines	At least 1 forms of evidence that document effective strategies/research in that area. Student provide evidence form for each evidence added to the corresponding section. Evidence form provided thorough connection to research and in depth reflection.	1 forms of evidence to document effective strategies/research in that area. Student provide evidence form for each evidence added to the corresponding section. Evidence form provided adequate connection to research and reflection.	1 form of evidence that documented effective strategy/research in that area. Student provide evidence form that made connection to research and completed reflection.	No evidence
Transition Strategies	At least 1 forms of evidence that document effective strategies/research in that area. Student provide evidence form for each evidence added to the corresponding section. Evidence form provided thorough connection to research and in depth reflection.	1 forms of evidence to document effective strategies/research in that area. Student provide evidence form for each evidence added to the corresponding section. Evidence form provided adequate connection to research and reflection.	1 form of evidence that documented effective strategy/research in that area. Student provide evidence form that made connection to research and completed reflection.	No evidence
Grouping Strategies	At least 1 forms of evidence that document effective strategies/research in that area. Student provide evidence form for each evidence added to the corresponding section. Evidence form provided thorough connection to research and in depth reflection.	1 forms of evidence to document effective strategies/research in that area. Student provide evidence form for each evidence added to the corresponding section. Evidence form provided adequate connection to research and reflection.	1 form of evidence that documented effective strategy/research in that area. Student provide evidence form that made connection to research and completed reflection.	No evidence
Verbal and Nonverbal Strategies	At least 1 forms of evidence that document effective strategies/research in that area. Student provide evidence form for each evidence added to the corresponding section. Evidence form provided thorough connection to research and in depth reflection.	1 forms of evidence to document effective strategies/research in that area. Student provide evidence form for each evidence added to the corresponding section. Evidence form provided adequate connection to research and reflection.	1 form of evidence that documented effective strategy/research in that area. Student provide evidence form that made connection to research and completed reflection.	No evidence
Individual Behavior Strategies	At least 1 forms of evidence that document effective strategies/research in that area. Student provide evidence form for each evidence added to the corresponding section. Evidence form provided thorough connection to research and in depth reflection.	1 forms of evidence to document effective strategies/research in that area. Student provide evidence form for each evidence added to the corresponding section. Evidence form provided adequate connection to research and reflection.	1 form of evidence that documented effective strategy/research in that area. Student provide evidence form that made connection to research and completed reflection.	No evidence
