Department of Teaching and Learning
EME 4312 Educational Technology for 21st Century Teaching

Instructor:

Email:

Office:

Telephone:

Office Hours:

Credit Hours: 3 semester hours

Prerequisites/Corequisites: None

Catalog Description: This course prepares learners to integrate technology into the K-6 classroom. Emphasis is on the use of current technology tools to facilitate teaching, learning, and assessment.

Required Text:

Roblyer, M. & Hughes, J. (2019). *Integrating educational technology into teaching (8th ed.)*. Pearson: Upper Saddle River, NJ. Pearson Education, Inc. [Purchase Text](#)

Special Course Requirements:

- * [Watermark/Livetext](#) (active 5 years), required for all College of Education classes
- * USB Drive or OneDrive Account.
- * Internet access for Canvas and other web-based apps.
- * Access to FAU student email at <http://myfau.edu/>.
- * Microsoft Office: You may use the free version at <http://www.fau.edu/oit/getoffice365/>

Non Required Readings:

Book

Magaña, S., & Marzano, R. (2011). *Enhancing the Art & Science of Teaching with Technology*. Solution Tree Press.

Standards and Guidelines Used for Developing Course Objectives

International Society for Technology in Education (ISTE) [Standards for Educators](#)

Florida Educator Accomplished Practices (FEAPs) at

<http://www.fldoe.org/teaching/professional-dev/the-fl-educator-accomplished-practices.shtml>:

Teaching Methodologies:

Modeling; guided practice; simulations; lecture; in-class and online discussions; internet communication (e-mail, websites, distance learning, learning management system); presentations by instructor and students; videos; computer; and other media.

Course Evaluation Method (minimum grade of "C" required to pass course):

<i>Item</i>	<i>Possible Points</i>	<i>Percentage of Final Grade</i>
Orientation (Syllabus, introduction discussion, google classroom)	20	3%
Attendance (12 classes @ 5 pts each)	60	8%
Group Chapter Presentation (1)	100	14%
Critical Assignments (2 @ 100 points each)	200	27%
Quizzes (4 and a Final @ 50 points each)	250	34%
Other Assignments and Discussions	100	14%
Total	730	100%

Critical Assignment Information (must be posted on *LiveText*):

The teacher candidate will develop the following artifacts:

- **Critical Assignment 1:** Technology-Based Assessment Toolbox (FL-FAU-FEAP-2013.A.4.c, FL-FAU-FEAP-2013.A.4.f).
- **Critical Assignment 2:** Technology-Based Lesson (FL-FAU-FEAP-2013.A.3.g, FL-FAU-FEAP-2013.A.2.i).

Grading Scale (minimum grade of “C” required to pass this course):

<i>Grade Percent</i>		<i>Grade Percent</i>		<i>Grade Percent</i>	
A	94-100	B-	80-82	D+	67-69
A-	90-93	C+	77-79	D	63-66
B+	87-89	C	73-76	D-	60-62
B	83-86	C-	70-72	F	Below 60

Tentative schedule – See Canvas for due dates

**Critical Assignment 1: Technology-Based Assessment Toolbox
(FL-FAU-FEAP-2013.A.4.c, FL-FAU-FEAP-2013.A.4.f)**

Watermark/LiveText Description:

The teacher candidate will develop a technology-based assessment toolbox that:

- Contains at least 3 examples of technology-based assessment tools to monitor student progress, achievement, and learning gains.
- Demonstrates an understanding of how to use technology-based assessment tools to organize and integrate assessment information

Rubric

	Exemplary (3.000 pts)	Satisfactory (2.000 pts)	Emerging (1.000 pt)	Unsatisfactory (0.000 pt)	No Attempt (0) (0.000 pt)
Assessment FL-FAU-FEAP-2013.A.4.c	Developed at least 3 exceptional examples of technology-based assessment tools to monitor student progress, achievement and learning gains.	Developed at least 3 appropriate examples of technology-based assessment tools to monitor student progress, achievement and learning gains.	Developed at least 3 acceptable examples of technology-based assessment tools to monitor student progress, achievement and learning gains.	Did not create at least 3 appropriate example of technology-based assessment tools to monitor student progress, achievement and learning gains.	The student failed to submit, or failed to submit on time, assignments related to the competency.
Assessment FL-FAU-FEAP-2013.A.4.f	Demonstrated an exceptional level of understanding of how to use technology-based assessment tools to organize and integrate assessment information	Demonstrated a satisfactory level of understanding of how to use technology-based assessment tools to organize and integrate assessment information.	Demonstrated an acceptable level of understanding of how to use technology-based assessment tools to organize and integrate assessment information.	Did not demonstrate an adequate level of understanding of how to use technology-based assessment tool to organize and integrate assessment information.	The student failed to submit, or failed to submit on time, assignments related to the competency.

**Critical Assignment 2: Technology-Based Lesson
(FL-FAU-FEAP-2010.A.3.g)**

Watermark/LiveText Description:

The teacher candidate will create an example of a technology-based lesson that:

- Provides comprehensible instruction for student understanding.
- Demonstrates a comprehensive knowledge of the subject taught.
- Applies varied instructional strategies and resources, including an appropriate use of technology.

Rubric

	Exemplary (3.000 pts)	Satisfactory (2.000 pts)	Emerging (1.000 pt)	Unsatisfactory (0.000 pt)	No Attempt (0) (0.000 pt)
Instructional Delivery FL-FAU-FEAP-2013.A.3.g	Created a thoroughly developed example of a technology-based learning material to provide a high level of comprehensible instruction for student understanding. The learning material demonstrated a deep and comprehensive knowledge of the subject taught and applied varied instructional strategies and resources, including an excellent use of technology.	Created an appropriate example of a technology-based learning material to provide a satisfactory level of comprehensible instruction for student understanding. The learning material demonstrated a comprehensive knowledge of the subject taught and applied varied instructional strategies and resources, including an appropriate use of technology.	Created an acceptable example of a technology-based learning material to provide a satisfactory level of comprehensible instruction for student understanding. The learning material demonstrated a basic knowledge of the subject taught and applied varied instructional strategies and resources, including an appropriate use of technology.	Did not create an appropriate example of a technology-based learning material to provide a satisfactory level of comprehensible instruction for student understanding. The learning material did not demonstrate sufficient knowledge of the subject taught and/or did not apply varied instructional strategies and resources, including an appropriate use of technology.	The student failed to submit, or failed to submit on time, assignments related to the competency.
Learning Environment FL-FAU- FEAP-2013.A.2. i	The lesson commendably incorporates all three of the principles of Universal Design for Learning (UDL). The teacher candidate exceptionally selects and describes assistive technology that supports children who have a hearing impairment, a visual impairment, a learning disability, and autism to participate in the technology-based lesson.	The lesson incorporates all three of the principles of Universal Design for Learning (UDL). The teacher candidate selects and describes assistive technology that supports children who have a hearing impairment, a visual impairment, a learning disability, and autism to participate in the technology-based lesson.	The lesson incorporates at least two of the principles of Universal Design for Learning (UDL). The teacher candidate selects and describes assistive technology that supports children to participate in the technology-based lesson for students with at least three out of four of the following types of special needs: a hearing impairment, a visual impairment, a learning disability, and autism.	The lesson does not adequately incorporate the principles of Universal Design for Learning (UDL). The teacher candidate did not select and describe assistive technology that sufficiently supports children who have a hearing impairment, a visual impairment, a learning disability, and autism to participate in the technology-based lesson.	The student failed to submit, or failed to submit on time, assignments related to the competency.

The TIM Matrix:

<http://fcit.usf.edu/matrix/>

Late Work

Late assignments will receive 50% deduction. The due dates for all assignments are in the tentative class schedule. In order to complete this class you must turn the assignments on time to stay on target. Every assignment is required for the final critical assignment. Not turning in an assignment will result in a “does not meet” grade on the critical assignment and failing this class. Assignments must be submitted for grading by the end of the day it is due. **Late assignments will not be accepted more than 1 week after the due date.**

Incomplete Policy

Rarely are incompletes given. The situation must be extreme, and a doctor's note needs to be attached to the incomplete form. For most situations, the grade for the class earned will be given. Upon completion of the course materials, the grade will be changed. To receive an incomplete, you must have a passing grade at the end of the semester and are not able to complete all the required work because of exceptional circumstances. To receive an incomplete, you must contact the instructor and request an incomplete form. On the form you will indicate when you will turn in all incomplete assignments.

Attendance Policy

Your schedule should allow you to attend all classes according to the tentative class schedule. Attendance points are awarded for each class attended.

Dropping the Course: If you must drop this course by **Insert Date** or you will receive a WF on your academic transcript, otherwise, the instructor is required to enter a grade of "F" for the course.

Disability Policy Statement: In compliance with the Americans with Disabilities Act Amendments Act (ADAAA), students who require reasonable accommodations due to a disability to properly execute coursework must register with Student Accessibility Services (SAS) and follow all SAS procedures. SAS has offices across three of FAU's campuses – Boca Raton, Davie, and Jupiter – however, disability services are available for students on all campuses. For more information, please visit the SAS website at www.fau.edu/sas/

COUNSELING AND PSYCHOLOGICAL SERVICES (CAPS) CENTER

Life as a university student can be challenging physically, mentally, and emotionally. Students who find stress negatively affecting their ability to achieve academic or personal goals may wish to consider utilizing FAU's Counseling and Psychological Services (CAPS) Center. CAPS provides FAU students a range of services – individual counseling, support meetings, and psychiatric services, to name a few – offered to help improve and maintain emotional well-being. For more information, go to <http://www.fau.edu/counseling/>

CODE OF ACADEMIC INTEGRITY POLICY

Students at Florida Atlantic University are expected to maintain the highest ethical standards. Academic dishonesty is considered a serious breach of these ethical standards because it interferes with the university's mission to provide a high-quality education in which no student enjoys an unfair advantage over any other. Academic dishonesty is also destructive of the university community, which is grounded in a system of mutual trust and places high value on personal integrity and individual responsibility. Harsh penalties are associated with academic dishonesty. For more information, see University Regulation 4.001.

STUDENT ACADEMIC GRIEVANCE PROCEDURES FOR GRADE REVIEWS (4.002)

The grade review procedures, which were once included in the old Honor Code, are now in a separate University Regulation (4.002) and can be found at:

[http://www.fau.edu/regulations/chapter4/4.002 Student Academic Grievance Procedures for Grade Reviews.pdf](http://www.fau.edu/regulations/chapter4/4.002%20Student%20Academic%20Grievance%20Procedures%20for%20Grade%20Reviews.pdf)
