These nine credits can be satisfied by courses listed above that are not otherwise counted for the concentration. Other courses offered at FAU may be used only with prior approval of the Concentration Advisor. Students are reminded that they need 45 credits of upper-level (3000 or 4000-level) coursework to graduate and should plan accordingly.

Senior Thesis

The honors thesis is a manuscript of at least fifty pages, demonstrating the student's original contribution to his/her chosen area. The thesis will be written under the direction of a faculty advisor; students are expected to prepare for an oral presentation of the project.

Restrictions:

At least half of the total coursework (15 credit hours) should be three-credit, upper-division (3000- or 4000-level) courses. Grades in all courses in the major must average "C" or higher; no course with a grade of "C-" or below will count in the requirements for the major.
