

Hanqi,

Thank you for the quick response.

Stephen

**Subject:** Re: Vector Calculus course proposal

Hi Stephen,

CEECS endorses the course.

Thanks,

Hanqi

**Subject:** Fw: Vector Calculus course proposal

A while back I sent out a request for comments on the proposed Vector Calculus course, MAS 3156 (see attached), but I may not have addressed that request to the correct people. I thought I had some responses, but I don't see them in my mail now.

Could you let me know if this course proposal is acceptable from your department's point of view?

Thanks,

Stephen

[Chair, Mathematical Sciences]

**Subject:** Vector Calculus course proposal

The department today voted to add a course in Vector Calculus, which will become part of our BA program and some of our BS programs. Since the course may be of interest to Physics students and Engineering students, we are forwarding the proposal documents.

Please forward to any interested members of your faculty.

Stephen
