NM

Dear Thomas,

I'm wondering if this chain of emails with the various chairs confirming support for the Sport Studies minor, including Gender and Sport, is sufficient or if I need to get more formal approval from Sociology, History, etc.

Thank you so much for your assistance,

Nicole

Dear Nicole, Kevin, Ben and Ann (and Jermaine),

The proposal is about done. Our faculty should vote on it Monday, and then we can send it up the UPC chain. I will need an email of support/commitment from each chair.

As you can see, Business did not want their classes included, but Exercise Science did want one.

Best,  
Carol

**Subject:** Interdisciplinary Minors

Hi Nannetta,

These are the two new minors we are proposing. Since they are interdisciplinary, do you need to send them to UPC first for your team or do they go straight to faculty for the meeting Monday?

Attached are the proposals, the forms, and the two new classes.

Best,Carol
