RE: Changes to Biological Chemistry concentration (add electives from the Schmidt College of Science)
Change number of credits (Wilkes Honors College)

As per FAU's Honors Curriculum Manual, these changes (change the thesis to IDS 4970, add BSC 1011L to requirements, add electives from the Schmidt College of Science and change the number of credit hours) were submitted to the Wilkes Honors College Undergraduate Programs Committee. The proposal was then discussed and approved by the University Honors Council on 3 September 2021.

We are now asking the UUPC to consider these changes and give them approval for inclusion in the catalog. Thank you.
