Hi Becky, Barclay,

Hope that you are both well? Please find attached a new course proposal and draft syllabus from our college and engineering. Could you please let me know if you have any concerns regarding this new course?

Regards,
Evonne

Hi Evonne,

This course looks compelling. I'm sure it will benefit many students by providing exposure and training in AI and ML applications related to Biology.

We have no concerns regarding this course.

Be well,

— Vaughn
