Student Teaching [Student Teaching Hours reduced from 6 credits to 3 credits](#)

In order to meet the student teaching deadline, a student must be admitted into the Secondary Education Program at least one full year before the semester that student teaching is required.

The student teaching/internship component requires a separate application. Everyone must complete all courses (education and subject area), the General Knowledge Test and the FTCE (professional education and subject area) before beginning the student teaching/internship component.
