Bachelor of Arts with major in Theatre: General Education

Prerequisite Coursework for Transfer Students

Students transferring to Florida Atlantic University must complete both lower-division requirements (including the requirements of the Intellectual Foundations Program) and requirements for the College and major. Lower-division requirements may be completed through the A.A. degree from any Florida public college, university or community college or through equivalent coursework at another regionally accredited institution. Before transferring and to ensure timely progress toward the baccalaureate degree, students must also complete the prerequisite courses for their major as outlined in the Transition Guides.

Please note that transfer students who have not completed A.A. degrees in Theatre and Dance will be required to complete all lower-division music requirements, which may add time to the degree.

All courses not approved by the Florida Statewide Course Numbering System that will be used to satisfy requirements will be evaluated individually on the basis of content and will require a catalog course description and a copy of the syllabus for assessment

Degree Requirements

1. Students must meet all University and College requirements for graduation.
2. Students who change degree programs and select this major must adopt the most current catalog.
3. All courses and their prerequisite courses must be completed with a grade of "C" (2.0) or higher. Grades below a "C" (2.0) will not satisfy the major requirements or count towards theatre credits. These and other departmental policies are explained in detail in the Student Handbook, which is updated annually and available in the Department of Theatre and Dance. ~~Students must earn a "C" (2.0) in any class to be counted toward the major. Grades below a "C" (2.0) will not satisfy the major requirements or count toward total theatre credits.~~
4. Students must consult with a departmental advisor each semester before registering.
5. All students must complete two credit hours of Production Capstone by their senior year demonstrating a proficiency in an area of theatre prior to graduation. Credit hours are earned by registering for THE 4954 and applying for a position of responsibility in the department. See the department for current production opportunities. ~~Students must fulfil 2.0 credits' worth of production capstone prior to graduation. Students may receive 2.0 credits for stage managing a mainstage performance; 1.0 credit for stage managing a dance concert or serving as an assistant stage manager on a mainstage performance or working as a crew head on a production.~~
