RE: Department of Theatre and Dance New Program Request

This memo is to support the creation of a new Musical Theatre BFA program in the Department of Theatre and Dance. There are several courses offered by the Department of Music, namely some Music Theory and Class Piano courses, which will be required in this new program. The needed seats will be simple to add, any would require only minimal additional sections. The Department of Music should have no issue in facilitating these seats. I would also add that the Department of Music is excited by the potential collaborations with this program, particularly the possibility of having Musical Theatre majors perform in our ensembles, as well as music majors participating in musical theatre productions.

Sincerely yours,

A handwritten signature in blue ink that reads 'Kevin Wilt'. The signature is fluid and cursive, with the first name 'Kevin' and last name 'Wilt' clearly distinguishable.
