Dear Rachel,

I support adding ECO 4223 as an elective for the WHC Economics Concentration. I imagine it will be taught by faculty in the Honors program correct?

Regards,

Monica

Subject:

Dear Dr. Escaleras,

The Wilkes Honors College is in the process of getting approval to add the FAU course ECO 4223 Money and Financial Markets to the list of electives for the WHC Economics Concentration. Part of the process involves consulting any FAU departments that might be affected by the change. The change would allow our students who take the course to count it toward their concentration at the WHC. Therefore, I write to you to request your approval to add this course as an elective to the WHC concentration. Please let me know if you need any more information from me. Thank you.

Rachel
