RE: New Honors in Climate Change program

As per the Honors Curriculum Manual, the proposal for the addition of a new Honors in Climate Change to the Geosciences Department was submitted to the Schmidt College of Science's Undergraduate Programs Committee. The proposal was then discussed and approved by the University Honors Council on 15 March 2024.

We are now asking the UUPC to consider the addition of this new program and give its approval for inclusion in the catalog. Thank you.
