RE: 58 DIR courses (4915 and 4916) + a Proposal Form (for students to fill out when applying for such a DIR)
(a list of all 58 courses for easy referral is also attached)

As per FAU's Honors Curriculum Manual, these 58 new course proposals were submitted to the Wilkes Honors College Undergraduate Programs Committee. We also approved the Proposal form that students will be required to submit when they request to complete one of these DIR 4915 or 4916 courses.

Because they are Honors courses as well as Research and Inquiry enhanced courses, they have been presented both to the University Honors Council as well as to the University Undergraduate Research and Inquiry Curriculum Committee (URCC). These proposals were discussed and approved by the University Honors Council on 15 April 2016. An approval from URCC will be sent to you separately.

The University Honors Council is now asking the UUPC to consider these proposals as new courses and give them approval for inclusion in the catalog. Thank you.
