**SUBJECT: Change in Course Status to NOT REQUIRED: NSP 1195 Being Cared For:
 Reflections on the Other Side of the Bed**
DATE: March 22, 2017
ATTACHMENT: Catalog Changes

This memo represents the proposed change to the Freshman Admit track of the Undergraduate Program

Background:

In the start-up of the Freshmen Direct Admit Track, the College of Nursing (CON) faculty changed NSP 1195 to a required part of the curriculum for the freshman direct admit students (either replacing ENC 1102 or as an elective).

Current Request to Change to Not Required:

Status to Not Required for the course NSP 1195 Being Cared For: Reflections on the Other Side of the Bed

It was determined that this requirement is served well by the English Department. Students will take ENC 1102 College Writing 2 or approved alternate; 3-credit hours. There is no change in the total credit hours for the curriculum plan.

Student Advisement- This request begins with Fall 2017 Freshmen Direct Admit students and student advisement flight plans will be prepared accordingly.

Start Date: Fall 2017
