Marcella, this course has my full support. It looks well-conceptualized and organized and I think honors students would benefit greatly from it.

Subject: LAS 2000 Honors proposal

Dear Ben,

Mary Ann Gosser is submitting a proposal for an Honors-specific version of LAS 2000, and I am therefore writing to request approval from your department in support of this proposal. As I understand it, the course has already received full approval from the CLAS Committee chaired by Barbara Ganson.

Please find the syllabus attached - and thank you for your consideration,

Marcella
