Subject: EME 4312 - please review

Hi Everyone,

Attached is a copy of the syllabus we are submitting for course approval. This course will replace EME 4310 that is currently being taken by our elementary education majors. Please indicate if you have any conflicts.

Thank you,

Barbara

Dear Dr. Ridener,

EME 4312 does not conflict or overlap with any course in Communication Sciences and Disorders.

With best regards,
Dr. Deena Louise Wener

I've reviewed your syllabus for EME 4312. It looks like a sound course! Although the final unit of instruction covers special education technology, I do not see this as duplicative or in conflict with our special education technology course. Indeed, it appears to cover content for general education teachers, and as such is a positive addition to the content from our course and program. Good luck with the course.
