**MEMORANDUM**

**DATE:** November 17, 2017

**TO:** University Honors Council

**FROM:** Randy Brooks, Professor and Undergraduate Programs Committee Chair  
 Michelle Cavallo, Director of Academic Programs  
 Department of Biological Sciences

**SUBJECT:** Proposed change the honors in the major nomenclature

The Department of Biological Sciences has proposed to establish a second pathway to honors within our existing Honors in the Major program (the detailed program proposal is attached). With this program change, we are also requesting that our pre-existing honors pathway officially be designated "Honors in Biological Sciences – Research Thesis". This designation would replace the current designation "Honors in Biological Sciences".
