 Re: Concentration Termination BM Jazz Studies Concentration
 Date: October 18, 2013

The Department of Music requests termination of the Jazz Studies Concentration within the Bachelor of Music with Major in Music degree. The program has been on hiatus for two years due to lack of faculty and the last student in the concentration graduated Spring 2013. This termination is in line with our accrediting body's (National Association of Schools of Music) recommendation that the department focus resources on strong enrollment programs. Please note that only this concentration is to be removed, all other concentrations within the Bachelor of Music with Major in Music are to be retained.
