

FAU Academy for Community Inclusion

Certificate Tracks and Coursework

The Academy for Community Inclusion is a University-wide program that provides specialized certificates and college coursework to adults with developmental disabilities. Academy coursework is structured into three certification programs:

- Supported Employment
- Supported Community Access, and
- Supported Community Living.

Each certification program has 20 credit hours of course work, including unique Academy courses, regular University courses, and approved electives. Academy students also take three prerequisite courses regardless of the certification track(s) they pursue. These prerequisites include:

SLS 1200: Increasing Personal Effectiveness

SLS 1304: Career Exploration

SLS 1570: Learning with Technology 1

Information on admission requirements, advising, and program planning is available at <http://www.coe.fau.edu/academicdepartments/ese/aci/index.php>.

This is the 2d email that summarizes the courses for the ESE Department's new post-secondary program for adults with developmental disabilities (Academy for Community Inclusion).

Attached to this email you'll find 6 course syllabi and their corresponding new course forms. The courses make up the core of the **Supported Community Living** certificate program. These courses are:

- SLS 1250 **LIVING WITH ROOMMATES**
- SLS 1251 **RESIDENTIAL EXPERIENCE**
- SLS 1571 **LEARNING WITH TECHNOLOGY 2**
- SLS 2601 **Effective Living**
- REA 1008 **READING FOR LIFE**
- ABX 1001 **PERSONAL FINANCE**

As you review the syllabi please keep in mind that the students taking these 1-2 credit classes are not for the general population of students, but are customized for students in the Academy for Community Inclusion. If you agree that they do not conflict with the courses, curriculum, and student populations in your departments, will you please respond to this email stating that.

Next, I will send 2 additional emails (4 in total) outlining the courses we have built and are proposing for the other certificates. I appreciate your review.

The ESE Department is proposing the courses and curriculum for the three certificate programs for our new post-secondary program for adults with developmental disabilities (Academy for Community Inclusion). You first saw the summary of the programs and the first three courses in October. These courses passed the various faculty review committees and the Senate and will be on the books at the Jupiter campus starting this Spring. In a series of 4 emails, I'm submitting the remainder of the courses for your review and assurance that they do not conflict with the courses, curriculum, and student populations in your departments.

First, the reminder: This is a non-degree program for people who have graduated from high school and have intellectual disabilities (e.g., Down Syndrome and other developmental disabilities). They will attend FAU as college students pursuing 1-3 certificate programs of approximately 20 credits each. (They are not pursuing bachelor's degrees.) The certificates are:

- Supported Employment
- Supported Community Living
- Supported Community Access.

Each course is credit-generating using the SLS prefix, and students will register just like all other college students.

Attached to this email you'll find 8 course syllabi and their corresponding new course forms. The courses make up the core of the **Supported Employment** certificate program. These courses are:

- SLS 1305 **PROFESSIONAL CAREER DEVELOPMENT**
- SLS 1331 **TECHNOLOGY FOR BUSINESS**
- SLS 1341 **EMPLOYABILITY SKILLS**
- SLS 1354 **WORKPLACE RELATIONSHIPS**
- SLS 1930 **GETTING AROUND IN THE COMMUNITY**
