 Re: Department of Theatre and Dance curriculum change request
 Date: January 27, 2017

Attached, please find a copy of our proposed curriculum changes for the *Minor in Theatre*.

- The prerequisite for THE 3925 *Production Hour* -- a required course for the minor-- is TPA 2200 *Intro to Production*, a course that has not been required of minors in the past. In fairness to our students, we would like to make TPA 2200 a required course and remove THE 2000 – *Theatre Appreciation*.
- All electives taken by our minors must be upper-level courses in order to achieve the required completion of 9+ hours of upper-level courses; therefore, we would like to remove all lower-level courses from the electives options.
- We would like to remove all courses offered as electives which have prerequisites outside of the Minor curriculum requirements.

Thank you.
