Memorandum

To: Undergraduate Programs Committee
From: Rebecca Lautar, Chair, Department of Music 
Re: Music Theory and Sight Singing and Ear Training curricular changes
Date: March 31, 2017

The Department of Music proposes a change to the undergraduate music theory and sight singing curriculum, as proposed in the attached course change forms:

MUT 1111 Music Theory 1
MUT 1112 Music Theory 2
MUT 2116 Music Theory 3
MUT 2117 Music Theory 4
MUT 1241 Sight Singing and Ear Training 1
MUT 1242 Sight Singing and Ear Training 2
MUT 2246 Sight Singing and Ear Training 3
MUT 2247 Sight Singing and Ear Training 4

The changes have redistributed content within both sequences in order to better align content within each sequence as well as reinforce content across both. For example, the content presented in Music Theory 2 will now align with that of Sight Singing 2, allowing students to reinforce the concepts through visual, audio and written means.

These changes do not affect the total credits in any of the undergraduate music degrees.
