Barclay, I support these changes. I look forward to adding additional history courses as they move from Special Topics to regular catalog courses. Regards, Ben

All:

I am attaching the memo and program change form for the Ethics, Law, Society certificate. As your departments are impacted, I would appreciate a brief email of support for these changes. In summary, they are:

1. CCJ majors can substitute CCJ 4054 Ethics and the Justice System for a second Philosophy course; PHI 4661 Ethics remains a core requirement for all students seeking the certificate.
2. CJL 4510 Judicial Administration and the Criminal Courts, CCJ 4931 Issues in Criminal Law, and CJL 4064 Criminal Law and the Constitution are added as options for the "1 additional course section."
3. AMH 3530 American Immigration, AMH 4575 History of Civil Rights, and HIS 3204 History of Human Rights are also added as options for the "1 additional course section." (Ben: I didn't add any of the AMH 4930 suggested courses as special topics courses are variable.)

Thanks!

Barclay,

This looks good. Thank you for including us. At some point let me know when it is approved so I can start announcing it to our majors.
