Thanks Patty. I enthusiastically support Ben Lowe's course on the History of European Sexuality for permanent status in the curriculum. This course is a welcome addition to our undergraduate certificate curriculum. As you know our center's title is now "Women, Gender, and Sexuality Studies" and we need more courses offered by other depts.. in the latter area. In fact, it would be great if Ben would consider developing a graduate course in this area. I can guarantee him that our graduate students would be very much interested in enrolling for such a course.

Best Regards,
Josephine

Hi Josephine—

Can you please take a look at Ben's proposal to regularize this course? If you approve its inclusion in the curriculum, please write me a brief memo of support.

Many thanks—

P.

Hi Patty,

I'm putting in the History of European Sexuality course for permanent catalog status. I've attached here the course form and syllabus. Would you please forward both to the chair (Josephine) of the Center for Women, Gender and Sexuality Studies and ask her for a support memo?

Thanks,
Ben
